Huntington Camera Club

High School Photography Competition

Tuesday April 25, 2017

7: 30 pm

Huntington Public Library

Huntington Camera Club would like to welcome all students, teachers, parents and other attendees to the 27th Annual High School Photography Competition.

Every year the Camera Club receives generous donations from local businesses and individuals within the community. The Huntington Camera Club then distributes these donations to those high school students who demonstrate a talent for the art of photography.

A panel of judges selected by the Camera Club's Board of Directors reviews all submitted images. Entries are judged for their creativity, technical aspects and ability to fit the theme (category). Due to the amount of time needed to judge a competition of this size the judging was completed on Thursday, April 13th. The judges will speak tonight about the twenty - four winning images.

The Club would like to thank Nikon, Inc. for their continued support. Their donation of equipment and talent is essential to the competition's continued success. A Special thank you to our other corporate donor, Comax Manufacturing Corporation of Melville for their ongoing financial support. Thank you to our many individual donors especially HCC club members who donate both their time and money every year..
