Huntington UFSD

The Huntington Arts-In-Education Committee, in conjunction with the PTA,
is pleased to have **Presenting Mr. Frederick Douglass** by
Fred Morsell at Finley Middle School.

This presentation provides young people with an experience to help them understand that they, like Frederick Douglass, may forge a portion of the American dream both for themselves and for others. In the process of exploring the principles that empowered Mr. Douglass to become a full citizen of America, student participants gain knowledge about the realities of American slavery and discrimination and understand that the freedoms we enjoy today were bought with a price.

Participants will learn to understand the life of Frederick Douglass in the context of an American history that reveals why racism and discrimination still exist in this country. This performance is a message of believing in yourself and to take advantage of every opportunity.

The presentation for Grade 7 is scheduled for:

1/10/18

Finley Middle School

8:51-9:33am

If you have any questions please contact Eric Reynolds,
