Director's Notes

Cinderella—glass slippers—a beautiful gown—and a Prince—set in a world where magic happens and anything is possible. Look beyond the surface and we see a young woman who has suffered horrible loss (both mom and dad) and is left in the care of a tyrannical step monster that treats her like a second class citizen. Add to the mix two stepsisters who have learned cruelty at their mother's knee—one relishes her dominant role while the other just wants a sister she can love and respect. Cinderella's only friend, a crazy lady who is treated just as poorly as she—two misfits on the outskirts of society—shunned by everyone but each other. They treat each other with kindness—kindness that is short supply in Prince Topher's kingdom. With a little love, common sense, and an abundant supply of perseverance, Cinderella proves nothing is impossible—these traits land her a prince and a chance to live happily ever after. In this day and age when our children use social media and YouTube to laugh at and view acts of cruelty on a moment to moment basis, maybe we should look for the Cinderella that lives within all of us. Enjoy the show!

Your talent, dedication and patience are endless!

The Drama Club Parents

A SPECIAL THANK YOU

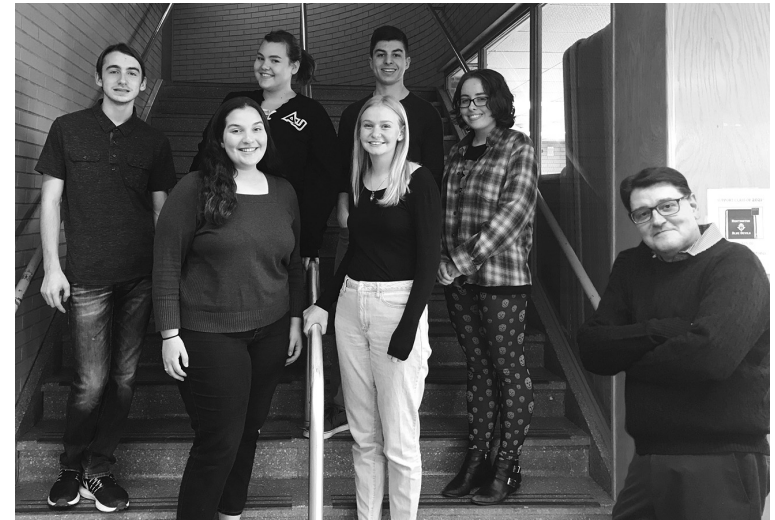

to all of the parents and families who
contributed to our success.

Whether soliciting ads or donations;
organizing concessions, bake sales and dinners;
making fabulous raffle baskets;
coordinating t-shirt and dinner orders;
ticket sales, videotaping and photographing the show;
designing our beautiful display —
all of these pieces and more have come together
to make this fantastic show happen.

You should all be proud!

To our parents who are moving on to college,
you will be dearly missed!

HHS Drama Parents

Drama Club Seniors 2018

You are an eclectic group to say the least—
You've endured disappointments and successes.

We have been together yet separate.

You put the fun in dysfunctional.

It feels like you just entered the auditorium
ten minutes ago but now is the time for you to move on.

As you leave the auditorium for the last time
remember that nothing is impossible!

— Schwen
