## HUNTINGTON ATHLETIC DEPARTMENT

## TRANSPORTATION RELEASE FORM

Since the district is required to transport students to and from away events, a request to release the district from this obligation is necessary. Due to COVID, parent/guardians may transport their child to and/or from away events if they choose to. Please complete this form prior to the events starting and submit to the athletic office. This information will be shared with the head coach. If they do not have this information, they are NOT permitted to allow your child to be driven to or picked up from an away event. Please know that our coaches are required to follow all district procedures so please do not put them or your child in a compromising position regarding transportation.
