

SHARED DECISION MAKING COMMITTEE

2017-2018 School Based Team Goals

List each goal on a separate form

SMART Goal: To increase parent engagement.

Action Plan:

- 100% contact at parent-teacher conference time; providing translators and/or phone conferences as needed.
- Hosting Math Fair and Book Fair in conjunction with the Washington Science Fair on Wed., March 14, 2018.
- Establish a monthly “No Homework/Family Time Night” to increase “family time” in Washington homes.
- Offering Parent Workshops on various needed topics. (Including, but not limited to: Homework Resources for Parents, Coding, Internet Safety for Primary Children.)
- Inviting parents into the classrooms for curriculum based activities.
- Connect-ed calls, emails, flyers and Washington PTA Facebook page to notify parents of events.

Assessment:

- Monitoring parent/student attendance at all activities.

SHARED DECISION MAKING COMMITTEE

2017-2018 School Based Team Goals

List each goal on a separate form

SMART Goal: Building Positive Actions and Attitudes at Washington

Action Plan:

- Building committee (BPAA) that targets ways to build positive actions and attitudes throughout the building.
- Assemblies/grade level presentations to address building theme of building kindness; targeting specific characters traits on a bi-monthly basis. (eg: Sept/Oct – RESPECT!)
- Daily announcements targeting character trait!
- Leadership Teams in 3rd & 4th Grades

Assessment:

- Increased positive behaviors amongst students and staff
- Fewer office referrals for behaviors.
