

SHARED DECISION MAKING COMMITTEE

2017-2018 School Based Team Goals

List each goal on a separate form

SMART Goal:

BOE Goal - Maximize home-school communication and further increase parent engagement throughout the school community.

School Goal - By June, 2018, ELA teachers will have implemented the Journey's Reading Program with fidelity, completing all the required lessons within the series.

Action Plan:

Have at least two parent workshops at Woodhull that encourage parents to come in to learn more about the new Journey's program and how to support their child at home.

Workshops will include student participation, which will help with the parents understanding and will also engage the students.

Provide translation at both parent workshops so that all families will attend.

Schedule the Woodhull book fair around at least one of the parent workshops to help parents find appropriate books for their child that support the Journey's reading program.

Assessment:

Have attendance sheets at the Journey's workshops that parents are invited to as a record of family participation from both workshops and if they also attended the evening book fair, based on sales.
