RE: Professional Development Activity Dates for Fall 2018

Below, please find the professional development calendar for Fall 2018. The calendar has dates for activities that **MUST** be attended by the grade level and/or department Faculty specified. We are providing you with these dates as required so that you may plan your personal calendar accordingly.

ATH members must complete up to 13-hours for tenured faculty, and 21-hours for non-tenured faculty of professional development activities. Since your attendance is required for the activities listed below, it is suggested that you speak with your supervisor to develop and determine your professional learning plan for the 2018/19 school year. You will be able to register for these required activities through MyLearningPlan.com. Each of the activities below will run for approximately two hours each, unless otherwise noted. If specific hours are not included, please anticipate a two hour session at the end of your work day. Prior to the session, locations and further information will be shared by either building or district leadership.
