RE: Professional Development Activity Dates for Spring 2020

Below, please find the professional development calendar for Spring 2020. The calendar has dates for activities that **MUST** be attended by the grade level and/or department Faculty specified. We are providing you with these dates as required so that you may plan your personal calendar accordingly.

ATH members must complete up to 13-hours for tenured faculty, and 21-hours for non-tenured faculty of professional development activities. Since your attendance is required for the activities listed below, it is suggested that you speak with your supervisor to develop and determine your professional learning plan for the 2019/20 school year. You will be able to register for these required activities through MyLearningPlan.com. Each of the activities below will run for approximately 2-hours each, unless otherwise noted.
