

eSchoolData Parent Portal F.A.Q.

1. What is the eSchoolData Parent Portal?

- The eSchoolData Parent Portal is a highly secure, internet-based application through which parents and guardians are able to view district permitted details of their student's academic record. Through the Parent Portal, parents and guardians have instant access to important information such as assignment grades, student schedules, attendance information, progress reports, report cards, transcripts, assessment scores, course requests, immunization details, discipline incident information, bus assignments, or fees.

2. How do I register for a Parent Portal Account?

- Go to www.hufsd.edu, access the portal on the dropdown menu to the right, select "parent portal" then click on "online registration" on the logon screen. Be sure to enter the student's name, grade level, school and **complete 9 digit ID number**. The 9 digit school ID is unique and is assigned to each child when registering into the district. Parents can either contact the guidance department or refer to previous schedules, progress reports or report cards sent home to locate the ID number. *The school ID number is not related to a social security number.*
