December 22, 2018

Dear Members of the Huntington School District Family,

Happy holidays! The unbridled commitment to our children, selflessness and compassion so routinely demonstrated by all members of the Huntington school community are things I appreciate year-round, but they take on special meaning at this time of year.

The holiday spirit is alive and well in all of our schools. It has been a pleasure to witness the joy experienced by students and staff, as so many activities have centered on the season and on the importance of giving. I am also keenly aware of the additional excitement associated with an upcoming winter recess and sharing the holidays with family and friends.

Please allow me, once again, to convey my deepest appreciation for all that you do in support of our students, colleagues and fellow community members. It is you, collectively, that make Huntington an ideal place to educate children and provide them with countless opportunities to learn and grow.

The past week's winter concerts and songfests surely set the stage for a festive week ahead. My congratulations to our talented student-musicians and music teachers on their phenomenal efforts!

I wish all in Huntington an enjoyable and restful break, as well as happiness, health and prosperity in 2019 and beyond!

Sincerely,

*James W. Polansky*
