# BLUE DEVIL SUMMER CAMPS

## Camp Philosophy

The Huntington Booster Club is very excited and proud to offer a number of camps to our Huntington community. We offer 14 high-quality competitive camps to meet the needs of our Huntington children. We strive to create a healthy, safe and competitive environment where our campers will work to improve individual and team skills, learn sportsmanship and self-confidence and appreciate the physical benefits of athletics. Taught by many of our best Huntington coaches, our camps strive to teach campers the importance of physical training through strategic, tactical and technical drills. It is our goal to enable each athlete to learn and improve his or her respective skill level. Finally, our camps encourage youngsters to enrich themselves through self-motivation and self-discipline and reinforce leadership and socialization as it is our belief that these values will help instill in our campers skills that they will need for life.

## Mission Statement

The Huntington Booster Club is a non-profit organization comprised of dedicated parents, coaches, school administrators, community members and alumni. It has been established to promote, encourage and support athletic participation and excellence for the students in the Huntington School District. The primary focus of the Booster Club is to financially enhance the district's physical education and athletic department budget in support of all sports. The goals of the Booster Club are to provide financial support to maintain and improve athletic facilities at our schools, to purchase equipment for our students and teams, to conduct summer sports camps, to distribute annual scholarships and to provide refreshments at athletic events and sports awards nights. We will do this through annual membership dues and other fundraising throughout the course of the year. To accomplish our goals, we ask that all families, particularly those with student athletes at Finley Middle School and the Huntington High School, coaches and school administration support the athletic programs in the district by becoming a member of the Huntington Booster Club and by participating in our fundraising events.
