TOWNWIDE
Operation E.D.I.T.H. Drill

1. Feel the door to check if it’s HOT! If it’s Not Hot open the door slowly, bracing it with your knees and shoulder. But be prepared to slam it shut quickly if there’s smoke and fire on the other side.

2. If the door is blocked by smoke or fire, leave through a window or secondary emergency route.

3. Once out of the house go directly to your meeting place, such as a tree or mailbox on your front lawn.
