

# Huntington SEPTA 2019-20 Membership Form

(Special Education Parent Teacher Association)

### What is SEPTA?

SEPTA is a district-wide PTA focusing on the needs of all children who receive support through the Special Education and Student Support (SESS) department. We are parent volunteers who work with teachers, administrators, the community, and the Special Education Department to help bring meaningful programs and resources to our school community.

### What does SEPTA do?

SEPTA advocates for and supports the special education community, as well as all students in the Huntington School District. Among our activities, we sponsor HUFSD's annual bike clinic, secure grants for special classroom supplies and technology, and award scholarships to graduating seniors.

### Why should I join SEPTA?

SEPTA is a truly special group of people who support each other, champion our Special Education community and create benefits for all HUFSD students. SEPTA meetings often feature guest speakers—such as psychologists and social workers—who discuss topics that are relevant to families.

- **Subscribe to our emails at [HuntingtonSEPTA@gmail.com](mailto:HuntingtonSEPTA@gmail.com)**
