Wilson Tech

CTE Skill Programs at Huntington Campus

COSMETOLOGY SKILLS

Learn by Doing!

At Wilson Tech's Huntington campus, students learn practical skills in the appearance enhancement industry.

SMALL ANIMAL CARE SKILLS

Hands-on Training

All Tech classes focus on helping students prepare for independent lives. Students learn the importance of following directions and the satisfaction of a job well-done!

If you learn best in a smaller setting and a comfortable learning pace, you may want to investigate Wilson Tech's Huntington campus! Our students enjoy practicing what they learn in a lab, shop, salon or professional kitchen. Hands-on instruction makes learning more interesting! Careful program placement is essential for success. Students should discuss their goals with their school counselor and parent/guardian.

CTE Skill Programs

Auto Technology Skills*

Auto Technology Skills provides students with the opportunity to learn the workings of the automobile. Students will be trained in the maintenance, troubleshooting and repair of various automotive systems.

Computer Game Design Skills*

Students will have the opportunity to build video games using industry standard software and standard business applications.

Construction Skills*

In the Construction Skills program, students will be introduced to various skills in carpentry, electrical, plumbing and building maintenance.

Cosmetology Skills*

Practice and learn basic hand-skills in this introduction to the appearance enhancement field. The concentration will be on hair, nails, skin and make-up.

Culinary Skills*

Experience working in our industrial kitchen following standard recipes for soups/salads, main courses, side dishes and desserts.

For more info call: 631-425-9050 or go to: www.wilsontech.org

OFFICE SKILLS

Learn Essential Skills

Learn the basics of computer programs and office skills as you develop job readiness skills.

Electronic/ Robotic Skills*

Work with computer circuits found in burglar alarms, talking clocks and motion sensors. Robotic concepts and kit fabrication will be introduced.

Graphic Art Skills*

Explore the fields of commercial art and graphic design. Students will have the opportunity to create and design projects using Macintosh computers.

Health Care Skills*

Learn about health-related topics and practice a variety of health care skills; emphasis will be placed upon Patient Care Skills.

Office Skills*

Students will have the opportunity to learn the basics of Microsoft Office Suite, use data entry, operate a copy machine, file, and perform proper telephone techniques.

Small Animal Care Skills*

Explore entry level careers in the pet and companion animal industries. Students will be working with a variety of small animals in the learning lab classroom.

CONSTRUCTION SKILLS

Develop Handy Skills

Create, fix and construct items for practical and personal use.

CULINARY SKILLS

The Taste of Success

Students in Culinary Skills have the opportunity to learn basic food preparation in Tech's professional kitchen.

HEALTH CARE SKILLS

Head Start in Health Care

Opportunities abound in health related fields and this program focuses on how to care for a variety of patients.

Q. Why go to Tech?

A. Going to Tech is a great opportunity to learn career skills. Depending upon your school district you can earn up to 4½ credits each year you attend Tech.

Q. What do students gain from CTE Skill Programs?

A. Students learn at a comfortable pace in a smaller setting..

Q. How do I apply to Tech?

A. It's easy. Just speak with your school counselor and fill out an application.

Q. Can I take academic courses at Tech?

A. Yes. Tech offers academic classes and review classes during the regular school day. See your high school counselor for information.

Q. What about the foreign language requirement?

A. If eligible, the district CSE may waive the foreign language requirement.

Q. Does Tech offer any clubs?

A. Yes. Tech offers SkillsUSA and Future Farmers of America (FFA) that provide students with leadership skills and sponsor competitions.

Q. When I complete my program will I leave Tech with any certificates?

A. Yes. Tech offers Certificates of Completion to students who successfully pass their Tech programs and meet the attendance requirements.

Q. Will Tech help me with job skills?

A. Yes. Tech classes provide useful hands-on learning. Also, Tech's Job Placement Office offers lifetime assistance in job search strategies.

Q. Can Tech prepare me to meet NYS Diploma/Credential Requirements?

A. Yes. Tech classes are approved by the NYS Education Department. Coursework, credits, hours and work-based learning apply toward meeting the requirements of all diploma types. In addition, Tech provides 216 hours of CTE learning, including 54 work-based hours and an Employability Profile toward the awarding of a Regents-endorsed NYS Career Development and Occupational Studies (CDOS) Commencement Credential. The CDOS credential is intended to recognize student's work readiness skills and may be awarded as a stand-alone credential or in addition to a regular high school diploma.
