

Dear PTA Families:

On behalf of the entire Finley PTA, we sincerely thank all our volunteers, attendees, and sponsors for making our Finley/Huntington High School fundraiser at Honu a tremendous success.

By all accounts, a great time was had by all in a beautiful venue - in no small part due to the great food, drinks and service provided by Tom and his staff at Honu, and rock-the-house music by Chris Campion of the Knockout Drops and Billy Ryan of The Bogmen.

Community support was outstanding, with many local businesses providing donations. We even had customized Blue Devil Oreo treats made by Sweeties Candy Cottage! There were some excellent raffle prizes, including a private computer science class at Stony Brook University; a fishing trip with Captain James Joseph; and four tickets to The Paramount with passes for the Founder's Room.

There are so many generous, supportive people to thank for helping make this event truly spectacular, including Nancy DiGiacomo, the Huntington High School PTSA, and all their volunteers for organizing and coordinating.

We are truly appreciative of all the parents and community members who came to the event, and deeply grateful to our PTA and parent volunteers -- led by Liz Cordeiro -- who worked tirelessly to secure items and services for our awesome raffle baskets and put them all together.

And we thank our administrators for coming out to support the event: Huntington Schools Superintendent James Polansky, Finley Middle School Principal John Amato, HHS Principal Brenden Cusack and Assistant Principals Joseph DiTroia and Gamal Smith, as well as members of the PTA Council and Board of Education.

It was a great feeling to spend a fun evening with people who are so actively involved and invested in our school community.

We are hoping with some of our profits that we can put on two free, give-back events for our Finley community -- family bowling at Larkfield Lanes in the winter, and a vintage car show with live music in the spring.

Thank you again, from the bottom of our hearts.

Sincerely,

Michele Deegan and Valerie Kellogg, Finley PTA Co-Presidents

Thank you for your generous donation
