

December 16, 2016

Dear Parents/Guardians:

Although the academic year has reached only its mid-point, we are preparing for the entrance of our new freshman class in September of 2017. We invite you and your child to participate in the Grade Eight Orientation Night and learn more about the High School's academic and extracurricular programs.

The orientation has been scheduled to take place on **Wednesday, January 11, 2017**. The program will begin promptly at 6:30 p.m. in the auditorium. During this time Mr. Smith and Mr. DiTroia, Assistant Principals, and I will provide you with a brief overview of the opportunities your child will have available at Huntington High School. This presentation will give us an opportunity to share the practices that allow us to continuously improve school climate and increase academic rigor. We will also address any questions or concerns you may have.

Following the general session you will be guided on a tour of the school. This will afford you the opportunity to ask questions of the student guides as well as learn about academic programs and extracurricular activities being showcased by each department.

The staff and I look forward to welcoming you on Wednesday, January 11th.

Sincerely,

Brenden P. Cusack
Principal

BPC/ed
