

2016-2017

## Jefferson Primary School

### School-Wide Goals

1. In order to improve writing performance, by June 2017, 100% of classroom teachers will implement the writing workshop and provide explicit instruction in four genres of writing.
2. In order to improve mathematics performance we will provide students strategically targeted fluency instruction and facilitate math talk while implementing the Eureka Math Program aligned with the Common Core Learning Standards.
