September 30, 2014

Dear Student/Parents,

As you are aware, your child is currently registered in one or more night school courses, which is scheduled to begin this evening (along with bus transportation to transport your child home). It is important that your child attend class regularly so that he/she receives the appropriate credit(s) and/or preparation for the assessment that will enable him/her to graduate on time.

Please be advised that if your child begins to miss class or comes late, he/she may be dropped. Identified below are the days, times, and room assignments for when night school classes meet. Additionally, a copy of your child’s schedule is enclosed on the reverse side of this letter.

Please feel free to contact me or your child’s guidance counselor with any questions. I may be reached at (631) 673-2101.

________________________________________________________________________
