Please note, college admission counselors make decisions about student applications based upon a variety of factors (which may include program of study and admission type). Both your GPA and SAT/ACT results must be uploaded into Family Connection to overlay your scores. Scattergrams are provided as a general guide with information specific to Huntington High School graduates.
**Comparing Colleges**

The averages below are for students from your high school that have been accepted to that particular college. School averages are displayed in green when your number is higher and in red when your number is lower.

Your PSAT score, if available, has been converted to the equivalent SAT score and compared to the average single SAT score of an accepted student. Your PLAN score can also serve as a direct estimate of your ACT score and can be compared to the average ACT score of an accepted student.
