

Huntington High School Alternative School Commitment Form

Dear Student and Parent,

Registering for one or more night school courses is a serious commitment. Both signatures below denotes that students and parents understand the requirements for attending each class. Furthermore, when doubling up in classes, it requires additional work to be completed outside the classroom.

Please sign below and return to Ms. Klein, District Director of Guidance and Testing in Central Guidance, no later than Wednesday, October 14, 2015.
