The beautiful Huntington High School auditorium is the premiere venue in Huntington for school and community events. Hundreds of concerts, theatrical and dance productions, meetings and award ceremonies grace our stage every year.

Now, you, your family, business or organization can become part of the legacy, by making a donation to the Arts-In-Education "Save A Seat for the Arts" initiative. A $100 donation will provide much needed funds to bring arts enrichment programs to our schools. You will be honored with a beautiful brass plaque*, on which you may engrave your name or honor someone or something important to you.

Plaques will be permanently placed on an armrest of a Huntington High School auditorium chair, to celebrate your honoree and demonstrate your support of the arts to the thousands of visitors who enjoy our programs each year.

In 2002 Huntington school district had a very successful fundraiser to refurbish High School auditorium seats. The donors received a customized plaque that was placed on the armrest of a newly covered seat.

Since then, the auditorium chairs have been replaced, and once temporarily removed plaques are now being reinstalled. There remain many new seats without a brass plaque.

Thank you for your support of the Arts in Huntington Schools. All proceeds from this initiative will be used to support the PTA Council Arts in Education Committee's efforts to bring professional arts presentations to the students in the Huntington School District.

* The plaque recognizes your contribution and support, but does not reserve that seat for you at events. However, we do hope that you will enjoy your chair whenever it is available.
