Computer Music Composing
Everyone can be a composer in this class! Students with little or no music reading skills will learn to create their own compositions in our music lab using simple programs like “Garage Band” to produce their own CD!

Beginning & Intermediate Piano
This course is for students with no prior piano training as well as students with some experience. Students will learn note reading as well as how to improve upon their playing using dynamic & articulation markings. Students will use electric keyboards in the music lab so that each student may progress at their own pace. Open to all students gr 4-9. Please indicate level on your registration form.

Beginning & Intermediate Guitar Gr. 5-9
This course will cover the basics of the guitar for students who have not played before, or who have a limited familiarity with the instrument. The course will cover all six strings and songs for different combinations of strings, power chords, the blues and the blues scale, basic improvisation, simple chorus and basic rock and folk guitar songs. Students will be encouraged to bring in songs of their own for study and performance. Students are encouraged to bring their own guitar as the district has a limited supply.

School of Rock Gr. 5-9
HAC rock/pop Band! A course for more experienced singers & instrumentalists including guitar, keyboard, bass, drums and vocals, in which the students will learn a repertoire of rock, pop and R&B classics and perform them as a real rock band! The basics of improvisation will be covered also, so that students can take a solo on any given instrument. Students will also be encouraged to bring in songs of their own choosing for study and performance. A recording will be made at the end of the course, and a performance given featuring all of the students in the class.

Intermediate Orchestra Gr. 5-6**
Looking to improve your technique & playing skills on your string instrument? Then this is the place for you! This course is open to students who have at least one year of experience playing an orchestra instrument. Students will have the opportunity to play many genres of music in a performance group setting while enhancing their skills.

ROCKestra! Gr. 7-9**
Do you have a favorite pop or rock song? Come join the ROCKestra for an opportunity to play pop & rock music on your string instrument. Featuring music by artists such as Katy Perry, Lady Gaga and The Beatles in combination with Jazz, Fiddle Music and Chamber pieces. The ROCKestra is open to students who have had experience in the Intermediate Schools’ Advanced Orchestra or Finley Orchestra. Students will put on a final performance at the end of the program for all to hear!

**Students should speak with their school orchestra teacher about their orchestra placement.

Intermediate Band Gr. 5-6
This course is open to students entering grades 5-6 who have one ore more years playing experience. It provides the student with an opportunity to improve his/her playing techniques in a performance group setting.

Jazz Band & Improvisation Gr. 6-9
This course presents the essential elements of jazz performance, including basic technique of style, phasing and simple improvisation. Open to band students entering grades 6-9.

Beginning Band & String Lessons Gr. 4
This class is provided for students who wish to learn how to play the violin, viola, cello, bass, flute, clarinet, saxophone, trumpet, French Horn, trombone, baritone, tuba or percussion. This is a beginning level class designed for students who have NEVER played the instrument and have been assigned this instrument by their orchestra teacher (including percussion). Lesson book is provided.

Musical Theater
Learn songs and scenes from a Broadway show. Students will be singing and acting in this creative class as we prepare for a small performance. All students are encouraged to sign up for the class regardless of acting/singing experience.

Glee Club!
Come lend your voice to the Glee Club! In this class, we will be singing a wide variety of music and some Glee-inspired songs as well. You will learn about the different voice parts that make up a choir, and learn how to sing in harmony. Whether you enjoy classical or pop music (or anything in between), you're sure to find something that
Music Class Descriptions—2015 (continued)

**Introduction to Acting**

Acting is a great tool to build confidence, self esteem and poise. In this class, actors play games, learn how to walk, talk and listen on stage. Improvisation, small scenes and monologues will be explored. Bring your most fun and creative personalities to the stage and be ready to have lots of fun!

**Ukulele Jam Band**

Want to learn how to play the Ukulele? Then this is the class for you! Ukelele Jam Band is a great place to learn how to play the Ukulele in a fun group setting. All participants will learn how to play several traditional and popular songs on their Ukuleles. They’ll be some singing, hand percussion and a lot of Ukuleling in this exciting class! All students must provide their own Ukulele in order to participate.

**Pop & Show Tunes Vocal Workshop!**

Students will enjoy the benefits of vocal training as well as learn a solo vocal piece. The class will learn a variety of NYSSMA solos, in addition to Pop and Broadway repertoire. The program includes solo performance technique as well as how to assess oneself when performing. Have fun while receiving professional vocal coaching!

**Percussion Ensemble Gr. 6-9**

Explore the world of percussion through the art of ensemble performance. Perform with your friends and learn how to play a wide variety of percussion instruments from the snare drum and xylophone to garbage cans. This course is designed for music students grades 6-9 (or 5th grade with strong rhythmic ability and with recommendation from their school's music teacher). Though no prior percussion training is required, students must have strong rhythmic ability.

Visual Art Class Descriptions—2015

**Ceramics**

Students will learn how to hand build exciting projects with ceramic clay. Vases, coil pots, name plates, picture frames and animal forms will be fired to a stone like hardness in the kiln and painted by the students in a variety of glazes. The projects will be fired a final time to bring out a colorful, glasslike finish. Approximately 3 full projects will be completed.

**Polymer Clay**

Have fun with this awesome clay that can be sculpted, carved, stamped, textured and used to create many different kinds of fun and useful objects. Learn the secrets of building multi-colored polymer "canes" to produce amazing checkerboard, spiral and geometric patterns for your unique creations!

**Painter’s Palette**

Get ready to explore the creative possibilities of painting! In this class you will learn about color theory and explore different painting techniques. Acrylic paints, temperas, & watercolors will be used to create a variety of fun and interesting art projects...including those ever-so-popular canvases!

**Modern Jewelry Making**

Who doesn't love a fantastic bracelet, especially one that she creates herself! In this class, students will learn how to work with and create bracelets out of leather, beads, metal, clay and so much more. Come prepared to work, and learn new techniques for filling your arms with beautiful works of art.

**Chalk it Up! Painting with Annie Sloan**

World recognized Annie Sloan Chalk Paint can easily be used to transform many things. In this class students will learn the basic beginning steps to working with Annie Sloan. They will use the one to two color application process, painting frames, initials, decorative boxes and more. They will then learn how to distress and finish a piece. Students will also work collectively on one large piece of furniture that will then be donated to the school. Roll up your sleeves and get ready to have fun!

**Digital Photography**

Master important shooting and composition skills with hands-on demonstrations and photo lessons. In the classroom you’ll discover the power of Adobe Photoshop and Illustrator to further enhance images through professional photo-editing and graphic—design techniques. Students must supply their own digital camera (which should be clearly labeled with name & number).
3D Sculpting & Design
This new course will focus on learning the structure and proper anatomy of the human head to help students create their own Bust! Lessons will also include designing accessories, character development, and creating various 3D elements to create a visual story board or 3D scene. Students will work with modeling clay, as well as other mixed media elements and will focus on detail, creative design and how to properly use sculpting and modeling tools. Students are encouraged to bring in photos or reference pictures to help in the design process. Class can be messy so please dress appropriately!

Teen Portfolio Program **THIS IS FOR GRADES 9-12 ONLY!!**
Geared towards the art minded High School student, this course will concentrate on observational drawing and advanced use of the elements and principles of art and design. Using a variety of media, students will be able to grow as artists while creating a collection of works to strengthen their portfolio. This course is ideal for the student putting together a college portfolio, building a breadth section for AP, or any art-loving student looking to further develop their artistic skill set. Putting together a portfolio on one’s own can be a daunting task—instead come enjoy a creative and fun summer experience! Please note: this is a 3 hour course – students MUST take all 3 hours. Cost is $330 plus registration fee.

Technical Art Course Descriptions —2015

The Art of Aviation I
Learn about the awesome world of Aviation through hands on projects. Projects will include model plane assembly, RC plane flight simulation and actual RC plane flight! Participants will learn how to fly 3 channel planes such as the champ and super cub. Students will learn a great deal about historic planes and how different types of aircraft work. This is a fantastic course that combines art, technology and physical skills into a fun learning experience.

Advanced Art of Aviation*
If you enjoyed the Art of Aviation I or II, you will love the next course in this series. Advanced Art of Aviation expands upon the skills and concepts taught in the Art of Aviation I & II. Participants will become more familiar with specific types of aircraft and learn why they actually fly. Participants will also learn how to fly 4 channel RC aircraft and perform aerial maneuvers such as the split-S, barrel rolls, stalls and inverted flight on the RC model T-28 Trojan! *for students who have taken Aviation I OR II only

Play Chess with the LI Chess Nuts!
Students will learn basic moves, strategies and techniques in the game of chess; our fast learners and students who are already familiar with the game will move to more advanced playing techniques. Lessons will teach students how to play the game, and once learned, how to then improve their playing. After lessons, students will play each other, while being supervised and coached by the teacher.
~ABOUT OUR STAFF~

Mr. Battista has been teaching band in Huntington for 14 years and is an aviation enthusiast! He has been a member of the Academy of Model Aeronautics for 5 years and is a flyer at the Lufbury Aerodome at Cedar Creek Park in Seaford, NY.

Mr. Belton currently teaches at Finley Middle School. After studying drawing & painting at the Art’s Students League in Manhattan, the School of Visual Arts and the New Jersey Center for the Arts, Mr. Belton went on to graduate from Columbia University and received a Masters of Fine Arts at Vermont College School of Fine Arts. Mr. Belton continues to create his own work in drawing, painting and ceramics.

Ms. Jablon, who teaches elementary Band in Huntington, holds a Bachelors & Masters in Music Education, as well as an Administrative Degree from Hofstra University. Ms. Jablon is the chairperson for the Huntington Band Fest; her chamber ensembles have premiered several works by renowned composers, and Ms. Jablon has had her bands perform for the Islanders at Nassau Coliseum!

Mr. Giachetti currently directs the Huntington HS Senior Symphonic Band & Jazz Ensemble. Mr. Giachetti graduated from Crane School of Music with a Bachelor in Music Education as well as a Performance Certificate in Percussion Performance. He also holds a Masters degree in Music Education, with concentration in Wind Band Conducting, from Hofstra University.

Mrs. Mainville is the Choral Director at Huntington HS and holds a Bachelors & Masters of Music from Crane School of Music and Boston University. Mrs. Mainville is heavily involved with the HS musical and also directs two a cappella groups at the high school.

Mr. Mainville has been teaching guitar for nearly 20 years in addition to his many years as a performer. He holds a Bachelors and Masters degrees in Classical Guitar Performance from the Crane School of Music and is currently working as the Stage Manager at Huntington High School.

Mrs. Markee joined the Huntington Music Department this year where she currently teaches Classroom Music as well as Orchestra Lessons for the district. Mrs. Markee holds a music degree from Hofstra University as well as a Master’s Degree from Stony Brook University. Prior to working in Huntington, Mrs. Markee worked with the 6th Grade Orchestra & General Music classes in Islip and is excited to join our summer program!

Mr. Mayer holds a Bachelors Degree in Fine Arts from LIU and for the last 10 years has been training as both a two dimensional and 3D artist with strong influences of Americana, Art Nouveau, POP culture and Modernism. Mr. Mayer is a regularly showing artist at various galleries, venues and events in the LI & NYC area.

Mrs. Mortell holds a bachelors degree in Graphic Design from New York Institute of Technology, as well as a Masters of Art Education from LIU. Prior to becoming an art teacher, Mrs. Mortell worked as an Art Director for Publishers Clearing House. In addition to being an art teacher, she is a practicing artist and photographer who loves to travel.

Mrs. Sturtz holds an Associate’s degree in Fashion Merchandising from the Laboratory Institute of Merchandising as well as a Bachelors in Art Education from Adelphi University. Mrs. Sturtz’s knowledge of fashion led her to designing fashion displays at Anthropologie; currently, she works as an accidental entrepreneur, giving old furniture new life. Her work is often sold at “Heaven Can Wait” in Rockville Center.

Mrs. Valerio holds a Bachelors of Fine Art from Parsons School of Design as well as a Masters in Art Education from LIU. Before becoming an art teacher, Mrs. Valerio worked in graphic arts at various companies, including Glamour Magazine, Newsday, & International Typeface Corp. Mrs. Valerio currently teaches at Huntington HS and Finley MS.

Long Island Chess Nuts will be joining us again for Chess class this year! “Chess Nuts” teachers are all great Chess players and are well experienced working with children. LI Chess Nuts is in their 18th year and currently teach over 2000 students each year in Nassau and Suffolk County schools.

Please review the following information before completing your application:

Classes are held at Huntington High School from 8:30–12:20 pm. Students should be dropped off in the main lobby where they will find signs for each class. Our HS student counselors will escort students to and from class as well as to the restrooms. We encourage students to bring peanut-free snacks and plastic water bottles if they are staying for more than one class. In order for our staff to provide a safe and educational environment, we ask that students leave any unnecessary electronics at home; we ask that students who must bring cell phones to please keep them in their back packs and on silent-mode (no texting or game playing will be allowed during class time).

For the safety of our students, all students must be signed out each day. Students who are picked up at 9:20, 10:20 or 11:20 can be signed out at the main desk. For the 12:20 pm pick-up, parents must meet their child at the sign for their last class where they can be signed out with their HS Student Counselor. We appreciate your cooperation in this matter.
