

HUNTINGTON UNION FREE SCHOOL DISTRICT
Department of Health, Physical Education and Interscholastic Athletics

Dear Parent/Guardian:

Your son/daughter is a candidate for one of the interscholastic athletic teams sponsored by the Huntington Union Free School District. Participation in all interscholastic activities is voluntary and, therefore, we would like to have your approval.

In addition to your permission, and prior to participation, it is necessary for your son/daughter to have a physical examination. The District schedules physicals at no charge, once in June, for the following school year with the school doctor. If you choose, your own physician can complete this requirement by completing a "Health Examination Form". This form is available through my office and the school nurse's office. Only physicals done within the year can be used for the following school year. The school nurse must approve all physicals prior to a student trying out for a sport. Students trying out for a second or third sport during the same school year must be requalified by the school nurse prior to trying out.

Attached please find the "Guidelines for Student Athletes" and the "Athlete's Code of Conduct". These documents are yours to keep. Please take the time to read and go over it with your son/daughter. They will be required to abide by these guidelines and codes, so your assistance will be appreciated whenever possible.

There will be a **mandatory meeting** that all athletes must attend after try-outs. Parents and/or guardians are encouraged to attend. You will be notified of the meeting date, time, and location by the coach after try-outs and when rosters are complete.

Thank you for your cooperation.

Georgia D. McCarthy, District Director

In addition, if you have in your possession any athletic equipment that has not been issued to you, it could result in the immediate suspension from the team you are participating on. Any student found to have committed an act of harassment against any student in the District, including team members, will be faced with disciplinary action which may include suspension from their athletic team and suspension from school. Team members are fully expected to notify a coach and other school officials if any such behavior is observed.

You have a commitment to your team not only during and after school, but also in the evening and on weekends.
