Pride Awards

Mrs. Black and Mrs. Rogan attended the Science Pride Awards on January 17, 2008. They described a situation surrounding one of the recipients of this award and how deserving he was.

Western Suffolk BOCES Referendum

Mr. Finello announced the upcoming referendum on January 29, 2008 from 10 a.m. to 9 p.m. He explained what the referendum was for and that Huntington residents are eligible to vote. Mr. Finello also announced the polling places.

PUBLIC COMMENTARY

Keith Meyers, a teacher at Woodhull Intermediate School and long time resident of the district, along with committee members in support of changing the name of Woodhull Intermediate School to Jack Abrams School made the case for this name change by describing the many years of dedication and service that Mr. Abrams has in the district, that he continues to impact many students and has been an inspiration to so many. Mr. Meyers appealed to the Board of Education to consider this request.

There was some discussion between a parent in the district and a member of the Board regarding the role of board members. This parent supported the Administration’s plan as presented by Mr. Finello at the last Board meeting.

There were four speakers, residents or teachers in the district, who were in support of the Woodhull Intermediate School name change.

A parent and President of SEPTA would like to start a program that would build bridges between home and school for children who do not speak English in their household. She has a plan to educate non-English speaking parents.

A mother of two children in the district expressed her support of the Dual Language Program.

A resident in the district had some questions regarding state aid and changing district lines. Mr. McGrath responded that we do not have the authority to redraw district lines. He also had other budget questions that Mr. Grackin answered and said would be explained further in his upcoming presentation later this evening.

ITEMS FOR DISCUSSION/ACTION

Dual Language Presentation

Mr. O’Brien gave an overview of this program which is in its 6th year. He then presented Carmen Kasper, Director of Foreign Language, ESL and Bilingual Education. Mrs. Kasper gave a detailed report. Extensive discussion followed and questions were asked by Board members.
A MOTION was made by Mr. Lee and seconded by Mr. Paci to include Dual Language classes in all four primary buildings by enrollment and to continue the program into grade 6 for one period a day.

MOTION carried.

PUBLIC COMMENTARY

At that portion of the meeting set aside for questions and comments from the public, a member of the community had some questions regarding the Dual Language Program. Mrs. Kasper answered his questions.

Another member of the community was also in favor of the Dual Language Program but pointed out that there are staffing implications in that you may be “bumping” a teacher because you need a Dual Language teacher.

Another parent questioned if the Board had looked at studies regarding the success of Dual Language programs.

Another parent wanted to see that same dedication toward other languages.

A resident questioned whether a teacher could lose his/her job as a result of the Dual Language Program. Mr. Giani responded that “yes” a teacher could be excessed.

ITEMS FOR DISCUSSION/ACTION

Woodhull Classroom Additions

Roger Smith, Architect of Burton, Behrendt, Smith, LLP, presented a Spatial Needs Analysis in regard to the Woodhull additions. Discussion followed. A MOTION was made by Mr. Paci and seconded by Mrs. Rogan to authorize Burton, Behrendt, Smith, LLP to submit plans to the State Education Department for the renovation at Woodhull Intermediate School.

MOTION carried.

Elementary/Middle School ELA/Math State Assessment Results 2006-07

Mr. O’Brien reported that Finley Middle School and Huntington Intermediate School had been placed on a list by the State Education Department of Schools Requiring Academic Progress. Mr. O’Brien explained why this occurred, but also pointed out that Finley Middle School had received a Best Practices Award from the State University at Albany. Discussion followed.

Budget Projections 2008-2009

Mr. Grackin made an extensive presentation on the budget projections for 2008-2009. He pointed out that the Governor’s State Aid Proposal would generate less aid in 2008-2009 than in 2007-2008.

Mr. Finello compared the eight school districts within the Township of Huntington and pointed out that our district will receive far less state aid than other schools. Discussion followed.
