7:00-9:00
Learning to Crochet is like learning to dance; just a few basic steps, a little practice and all of the sudden you're ready for all kinds of music—and all kinds of Crochet fashions! You will learn the basics and complete the popular Infinity scarf. Bring to class a hook and any ball of yarn to practice.

INTRODUCTORY STRINGS INSTRUCTION
Claude Masear, Ed.D.
Room TBD
7:00-9:00
This class is designed for parents of incoming Beginning Fourth Grade Strings students who would benefit from a solid grounding on elementary string instrument techniques so that they can understand and perhaps assist in the learning of skills and concepts that are being taught to their children. The class is also intended for anyone who wishes to learn the basics of symphonic orchestra string instruments (violin, viola, cello, and double bass). The pacing of the instruction is geared for working adults; thus, the members of the class are not required to do any practicing at home but it is certainly encouraged. The students may use instruments that are housed at Huntington High School or they may choose to rent an instrument from a local music store (should they choose to do additional practice at home). Using the string teaching approach developed by Shinichi Suzuki, the students will learn basic posture and correct position of both the instrument (left hand) and the bow (right hand), and be able to execute simple rhythmic patterns, songs, and scales which are typically taught during the first year of student instruction.

AMERICAN HISTORY

TAI CHI CHI KUNG  Richard Wos
Jefferson Cafeteria  7:00-8:30
8 SESSIONS
LIMITED. NO SENIOR CITIZEN DISCOUNT. Tai Chi is an ancient Chinese self-healing exercise. The therapeutic value of Tai Chi has been acknowledged in China for thousands of years and Tai Chi is the most popular health exercise in China today. The movements enable the body to relax and let gravity melt away tension blocks. It is one of the safest exercise methods known. The way we live determines the amount of tension and nervousness we accumulate in our bodies. Most of us live in an unhealthy environment in which there is too little exercise, poor eating habits, and conditions that create emotional tension. The primary purpose of Tai Chi is to help let go of physical and emotional tension.

What Everyone Needs To Know (especially boomers)
Tuesday, 3/10
Bud Levy, CFP, CPA, MBA
Room 110 7:00-9:00
FEE: $10 per person - $15 per couple
After being told for years that Social Security is “going broke,” baby boomers are realizing that it will soon be their turn to collect. But the decisions you make now can have a tremendous impact on the total amount of benefits you stand to receive over your lifetime. This informative workshop not only covers the basics but also reveals little known strategies for maximizing your benefits. You will learn: the 5 factors to consider in deciding when to apply for benefits, when it makes sense to delay benefits, how to integrate benefits with other retirement income sources, and how to coordinate benefits with your spouse to maximize the total drawdown from Social Security. Each attendee will receive a free copy of “The Baby Boomer's Guide To Social Security” which summarizes key retirement benefit provisions.
