

Huntington Booster Club

August 09, 2011

Dear Parents/Friends:

Through the years, the *Huntington Interscholastic Athletics Program* has played an important role in the lives of students and community members. An integral part of the Department of Physical Education, organized athletics in the Huntington School District dates back more than one hundred years. Since the inception of sports teams here, our students have won every possible honor bestowed on high school athletes.

The Huntington Booster Club promotes and encourages extracurricular activities, particularly sports, for the students of the Huntington School District. The goals of the Booster Club are to provide financial support for annual scholarships, purchase of equipment, summer sports programs, and refreshments at athletic events and sports awards nights. We will do this through annual membership dues and other fundraising throughout the course of the year. This past year we were able to build our initial membership that led us to establishing a financial base to accomplish these tasks. We have donated over \$150,000 in grants and equipment to the High School and Finley over the past 5 years. To accomplish our goals we ask that all families, particularly those with student athletes at Finley Middle School and the High School, support the athletic programs by becoming a member of the Huntington Booster Club and/or renewing their annual memberships.

You may return the attached enrollment form with your annual membership fee of \$20 to the mailing address below. If you would like to get involved and become a volunteer, please check the volunteer line on the enrollment form.
