Thank you in advance for your support

The Huntington Booster Club is a 501c and has been established to promote and encourage extracurricular activities, particularly athletic sports, for the students of the Huntington School District. The goals of the Booster Club are to provide financial support for annual awards, purchase of equipment, summer sports programs, and refreshments at athletic events and sports awards nights. The primary focus of the Booster Club is to financially enhance the district’s physical education and athletic department budget in support of all sports. This is accomplished through annual membership dues and other fundraising throughout the course of the year. To fulfill our goals we ask that all local businesses to support the athletic programs in the district by becoming a member of the Huntington Booster Club.
