Mini Grant Information

The purpose of the Mini Grant Program is to provide money for special projects costing up to $1,000 for innovative classroom activities that are beyond the core curriculum such as new computer software, educational additions for a classroom and various workshops. Remember, think outside the box!

A Teacher who wishes to obtain funding for a project in the classroom should complete this grant application describing the idea and its benefits, and after gaining approval from the school principal, send it to the HFEE address above.

Please remember that is the goal of HFEE to fund new and innovative ideas. This year, our limited financial resources will limit, if not prevent, HFEE funding of any smart board grants.

All applications must be submitted by October 30, 2010.
For additional information contact: Carol Leek @ 631 423-0514 / cleek@optonline.net

APPLICANT INFORMATION

Date: ________________________________

Name of Application: __________________________________________________________

School: ___________________ Grade/Department_______________________________

Telephone: Day ________________________

Email address__________________________All future correspondence will be done via email, please provide an email address that you check regularly.
Project Information

Project Title: ____________________________________________________________

Summary of Project: Write a brief overview of the program and also answer the following questions as completely as possible.

1. How will this grant enhance the instructional program within your classroom?
2. How will this grant support the standards within the curriculum?
3. What will students be able to accomplish as a result of this grant that will expand and enhance their learning?
4. Please share anything else that might be valuable in helping the Foundation make its decision.
