10 a.m. to 1 p.m.

Huntington Fire Dept.

1 Leverich Place, Huntington, NY 11743

**The event will be supervised by the
Suffolk County Police Department**

Drop off any expired or unwanted medication and it will be collected and safely disposed of by officers from the Suffolk County Police Department.

Disposing of medication improperly, such as flushing it down a toilet or pouring it down the drain, can lead to pollution in the water we drink. Safe disposal helps protect our health and keeps prescription drugs away from young children or others who would use them improperly.
