Dear Fellow Huntington Resident:

On behalf of my Town Board colleagues, I am proud to present our Huntington Parks and Recreation Fall 2013/Winter 2014 Brochure for Children & Adults. The program and activities listed in this brochure represent our continued commitment to meet the diverse recreational needs of our residents.

While the summer is once again behind us, there are plenty of exiting activities and programs available for you and your family to enjoy through the fall and into the winter months. Thanks to your continued support, we have scheduled a number of new park improvements, including the development of a new, outdoor fitness workout station at Elwood Park.

To better accommodate our residents, the town is using additional forms of technology to enhance communication. Please take a look at the new and vastly improved Town website, http://huntingtonny.gov, which has made it much easier for you to find important information and to contact the Town. The new website will also heighten communication during emergency situations.

For the latest and up to date information on our offerings, please refer to http://tohparks.com

As always, we welcome your comments and input. If you prefer to contact us by telephone, please call the Department of Parks and Recreation at (631) 351-3089. This number is available from 8:30 a.m. to 4:30 p.m., Monday through Friday.

Best wishes for a healthy and prosperous New Year.
