Dear Flower Hill Families:

Why join the PTA? What can it accomplish that we can’t? Why should we belong to a state and national organization, when we just want to help our children in our school? Here are some answers:

- **Unified Action**- PTA can provide a unified front on major problems and unified action to make improvements in education.
- **Information**- PTA cooperates with other state and national organizations concerned with family and child-oriented issues. The assistance of experts worldwide is at our disposal.
- **Not all problems can be solved locally**- Most laws affecting the welfare of children are made at the state and federal level.
- **PTA cares & PTA speaks**- The PTA understands the importance of strong parent and teacher relationships and the tremendous positive impact it has on the education of children. The PTA advocates for ALL CHILDREN, by promoting programs to enhance the home-school connection.
- **PTA has withstood the test of time**- The PTA has been around since 1897 and is accredited with the legal adoption of Child Labor Laws, hot-lunch programs, transportation, de-segregation and many, many others.

Individual membership is just $8.00, of which $3.50 is the state/federal portion. Family membership is only $15 and is for up to three people. The more members we get the more awards our school can win!

**PTA members get in free or at a reduced rate to all PTA events!!!!!!!!!!**

**PTA members get to be included in the E-Mail club which gives lots of information and reminders about school events!!!!!!!**

**THANK YOU**

Michelle Lomler– Membership Chairperson (mlomler@optonline.net)

Please return this form in an envelope marked “PTA Membership”. You may send cash or check made payable to Flower Hill PTA.

**Single Membership $8.00 _____**

**Family Membership $15.00______**
