

September 9, 2010

Dear Parents/Guardians,

You are cordially invited to attend our annual Meet the Teacher Night at Huntington High School on Thursday, September 23, 2010 at 7:00 p.m. Classroom visits will begin at 7:20 p.m. Prior to that time (7:00 p.m.) there will be a general session led by building administrators in the auditorium.

Classroom presentations are designed to allow our teaching staff to give parents a brief overview of their curriculum goals, students' expectations and grading practices. Unfortunately there will not be time to discuss your child's progress. If you would like to talk about individual issues with any of your child's teachers, you may schedule a meeting or phone conference. **On the night of the 23rd you will also be able to sign up for parent-teacher conferences that are scheduled for the morning of November 2, 2010, Election Day.**

Please have your child fill out the enclosed form by writing in the schedule that he/she follows on a **"A"** day. On the back of this schedule you will find a map of the school which will assist you in locating the classrooms. Extra copies of your child's schedules will also be available in the Guidance Department. Classes will be ten (10) minutes in length instead of the usual 42 minutes. When the period is designated LUNCH or STUDY HALL, please go to Cafeteria "B" where coffee will be served and you will have the opportunity to meet other parents, guidance counselors and faculty members who have unassigned periods at that time. If, on the **"A"** day, your son/daughter is assigned to a lab or study hall, we recommend that you report to Physical Education, support classes and/or Structure and Organization courses that are usually scheduled opposite the lab or study hall.

We would like to take this opportunity to remind you that you will be notified daily of any unexcused period absences by an **automated telephone system**. At the end of each month, parents will be mailed a summary of their child's record of attendance with all excused and unexcused absences and latenesses listed

The 9th grade **Meet the Counselor Night** is scheduled for Tuesday, October 6, 2010 and will outline the guidance program for the next four years your child will be in high school. If you need to make an appointment with a guidance counselor please call 673-2011 or 673-2013.

The PTSA will have a table set up in the lobby. We encourage you to stop by and renew your membership.

The faculty and I look forward to sharing this evening with you.

Sincerely,

Carmela Leonardi, Ph.D.
Principal
