

## **Underclassman Picture Day at Huntington High School**

Photos of students in grades 9 through 11 will be taken at Huntington High School this week on Wednesday and Thursday, October 5-6. The photos will be used in this year's edition of *The Huntingtonian*, the high school yearbook, and will also be available for purchase. Order forms have been mailed home to students. Those who want to purchase photos should bring the forms and a check in the appropriate amount and present them to the photographer.
