

## Huntington Union Free School District

December 20, 2011

Dear Parents/Guardians,

Yesterday afternoon, the high school administration received report of an incident that occurred on Friday at 4:30 pm at the intersection of Kane Lane and East Shore Road. A white male with short brown hair, approximately 35-40 years old, driving a blue Mini-Cooper with a white hardtop and white racing stripe extending from hood to rear followed three high school students.

On two occasions the, automobile made U-turns and followed the students. The students moved abruptly to a nearby pathway. The driver proceeded to follow them in reverse and parked in the entrance to the pathway. The students moved to safety in one of their homes. The Suffolk County 2<sup>nd</sup> Precinct and Huntington Bay police were contacted and a report filed.

If your child should experience a similar encounter or should he/she possess additional information in this regard, please report it promptly to the Second Precinct (854-8200) and to a building administrator. Please take this opportunity to reinforce personal safety with your child.

Sincerely,

HUFSD Principals
