

Huntington High School

Huntington High School is sponsoring its first "Relay for Life" fundraiser to raise money for the American Cancer Society. We have 550 participants registered to participate in the event. The participants will take turns walking around the track to raise money for the American Cancer Society. "Relay for Life" is this Saturday, June 9th, starting at 6:00 pm. It will end on Sunday morning, June 10th, at 6:00 am.

We need adult/parent volunteers to assist at the registration table. Volunteers are needed this Saturday, June 9th only from 3:30 pm to 8:30 pm. If you are available for an hour or two, please email Susan at sschult@optonline.net.

Thank you!
