Dear Junior and Parents/Legal Guardians:

Enclosed is the test booklet for the Preliminary Scholastic Aptitude Test (PSAT), which was administered on Saturday, October 19th. Unfortunately your child did not test that day and as a result, a score report is not available.

Listed below are highlights to take into consideration:

• The PSAT is a practice test for the SAT Reasoning Test and, as such, is not sent to colleges.

• The test booklet is being provided to you so that you may utilize it as a study aid. Online answer explanations for each test question can be found at www.collegeboard.com/quickstart.

• Students with disabilities, who require SAT accommodations, must see their counselors immediately to ensure that their SSD Eligibility form has been processed/approved by College Board.

If you have any questions, please call your child’s guidance counselor.

Sincerely,

Kitty R. Klein
District Director of Guidance, K - 12
