Dear Student/Parents/Legal Guardians,

As you are aware, your child is scheduled to take one or more of the following AP exams: AP English Literature and Composition, AP U.S. History, AP U.S. Government and Politics, and AP Microeconomics. Please be advised that the location has changed *from* Huntington High School *to* Jack Abrams STEM Magnet School.

AP English Literature and Composition - Wednesday, May 6th at 8:00am

AP U.S. History – Friday, May 8th at 8:00am

AP U.S. Government and Politics – Tuesday, May 12th at 8:00am

AP Microeconomics – Friday, May 15th at 8:00am

Students **must** enter at the front entrance on Lowndes Avenue no later than 7:45am for morning exams with their student I.D.'s. Once security checks students in, they will report directly to the gymnasium (on the first floor) where the test will be administered.

Transportation will be available to transport students from Huntington High School to Jack Abrams STEM Magnet School. As a reminder, students who have procured their own transportation to Jack Abrams Stem Magnet School are prohibited from parking in the administrative parking lot on Tower Street (by the blue awning). Parking is only permitted in the lot where the basketball courts are located on Lowndes Avenue.

If you have any questions or concerns, please feel free to contact me. I may be reached at (631) 673-2101. Thank you.

Sincerely,

Kitty R. Klein
District Director of Guidance
