PTA Membership Contest, the class that gets the most PTA memberships including their Teacher will win a pizza, ice pop and school class room supply basket for their class. Not only will your children receive these rewards, we have a PTA membership discount for most or all of our PTA held functions, become a PTA member and receive $2 off your tickets to Family Fun night etc.

Starting Nov 1st you will be able to send in your BOX Tops, they will go directly towards your class until January 31st but we will keep collecting until the end of the year we will tally them up and see which class has the most and that class will receive a pizza party. Box Tops go directly back to the school and the kids, please start saving them now if you haven't already done so.

There are so many ways that we can get involved in giving back to our school, if you have a Target Red Card, go to target.com and register your card with our school and each time you purchase items a certain percentage comes directly back to our school.

Value Drugs of Huntington supports Jefferson school, when making a purchase just mention you are with the Jefferson Elementary. If you use Living Huntington coupons off the web, you can also choose Jefferson school when purchasing to receive a small percentage back to the school also.
