

Washington Primary School PTA Annual Thanksgiving Food Drive

November 3rd- 18th

Dear Parents,

Washington Primary School is organizing a Thanksgiving Food Drive to benefit the Helping Hands Rescue Mission. Each class has been assigned a different food item requested by the Rescue Mission in order to help them give families breakfast and dinner on Thanksgiving Day. Representatives from The Rescue Mission will visit your child's classroom on November 18 to collect the food and to say thank you.

Sincere thanks for helping us spread some joy to needy families at this special time of the year.

Best wishes,
Washington Primary PTA
