Dear Parents,

June will be a very exciting month for our Woodhull Eagles. Please buckle up and hang on as it will be over in the blink of an eye.

If you lose this calendar you can always go to the HUFSD.EDU website: look under Woodhull School, go to News and Events, find June newsletter or go to the “click bar” and go to E-Boards and scroll down to Woodhull School, look for Mrs. Stokkers. Click on and you will see all the events and the June Newsletter. To read it you must click again.

I will be hosting several parent informational sessions during the month of June to prepare you and your son/daughter for the transition to the next grade or school. Mr. Stein and some of our teachers will be there to help with the presentations and to answer any other questions you may have.

If you have a fourth grader coming up from the primary schools, please join us with your child June 10th @ 4:30. Flyers were distributed at the primary schools and also mailed home. If you did not receive one please call the office-673-2030 and check if we have the correct address and we will send another one home.

If you have a fifth grader, you are invited to attend one of our “Parent University” workshops sponsored by our Shared Decision Making Team. You may attend after Field Day at 11:30 am on June 7th or 11:30 am on June 8th (depending on the day your child has Field Day). This workshop will be given by 6th grade teachers. Some of the topics will be: teaming, the wheel, languages and schedules. Mr. Stein will also join us for the Question and Answer Session.

The sixth grade transition to Finley began in March with the Parent Orientation. Mr. Amato and Mr. Parham did a presentation on what to expect at the Middle School level. Our sixth graders will visit Finley on Thursday, June 16th. If you have any questions after school closes, please call 673-2020 or 2022 for Finley Guidance. They will be having a visitation day for all 7th graders before opening day to walk their schedule and try their lockers out.

Field Day should be great fun! Each grade level will challenge the other grade level teams; 5th Grade (orange, yellow and green) and 6th Grade (red, white and blue). Please have your child wear their team color. All makeup and hair coloring must be done at home. Please look carefully at your child’s assigned day as half the grade goes on June 7th and the other half on June 8th. Parking will be very tight, please carpool.

Last but not least, I would like to Challenge all our students to read over the summer. Our PTA will be giving out literature books to all 5th graders from the "Scholastic book fair “ Points. The students that participated in the Book Discussion Club this year will help me design an incentive bulletin board and have it ready to display in September . The written or typed book review should be on a 3 x 5 card and turned into the office on the first day of school (September, 7th). Reading over the summer is so important. Please encourage your son/daughter to join a library program, a book club or read with them every day. I will be looking for at least four books to be read between June 30th and September.

I will be sending class assignments to you by Labor Day. Visitation will be the day before school starts at 3:00 pm. Supply lists will be out by the last day of school. They will also be posted on line under Woodhull or on my e-board.

I would like to “Thank” all our parents and the entire staff for all your hard work and dedication. I appreciate your devotion and support for education and all our children. I would also like to wish all our teachers and staff members that will not be with us next year the very best of luck, we will miss you.

Enjoy your summer and your wonderful unique children.

Soar like an eagle,

Mrs. Stokkers

Congratulations to all the winners. Fabulous Job!

### Eagle Honors

Several students and groups will be honored at the June 6th Town of Huntington board meeting at 6:30pm. Our school will receive a beautiful award because of all the projects the art club, student council, environmental club and Mr. Meyers class have done over the years. Woodhull has become an “earth friendly” place to be.

Mr. Hiscox and his art club along with our environmental club, student council have created a very welcoming front entrance and beautiful courtyard.

### B.E.A.R. Day

Woodhull is getting excited about B.E.A.R. Day! B.E.A.R. Day, which stands for Be Excited About Reading will take place on Wednesday, June 15th from 2-3pm. This exciting event is a way to bring parents, staff and students together with reading. We are looking for parent volunteers who will be willing to come in and share some of their favorite books with a small group of students. So, if you are interested in participating in B.E.A.R. Day, save the date on your calendar and look for the parent volunteer sheet to come home in the next few weeks. We look forward to promoting the joy of reading with you!

Sincerely, The Reading Teachers

### Fifth Grade News

Awareness Workshops
The 6th graders have been given a series of workshops on Cyberbullying, Bullying, Harassment, Discrimination and Bias. Next week, they will be having more from the high school theater club and PoliceSmart program. Each team will be teaching disability awareness lessons on physical, emotional and learning challenges.

### Sixth Grade News

Staff Appreciation Luncheon
The teachers and staff Loved the Italian cuisine luncheon served on Thursday, May 26th. Thank you parents for all the love and support you have given us all year long.

Music Club
Our “School of Rock” concert will be held Friday, June 10th at 6:30pm. Please come support our musicians and enjoy the last concert of the season (see flyer).

### Science

Brookhaven National Laboratories Science Fair—
Congratulations to Rachel Roday for receiving an Honorable Mention.

### “Hats for Japan”

The Woodhull students are a very caring group! Woodhull’s Student Council wanted to do something to help the victims of Japan’s earthquake. They decided to host a fundraiser, “Hats for Japan”. Every Friday, during the month of April, the students attending Woodhull School were given special permission to wear a hat, usually not allowed, and asked to contribute $1.00 for this cause. Some contributed small change and some contributed much more! The students were very enthusiastic about being able to participate and looked adorable wearing their various hats. A total of $225.18 was collected. The money will be donated to the American Red Cross.

### Gymnastics

Congratulations to Emma Breitbarth for completing her competition at Eastern Nationals. She finished 11th place on beam, 15th place on vault and 19th all around. Great Job!
