March Madness

Dear Parents, Students and Staff,

I am honored and delighted to be the new principal of Woodhull Intermediate School. I look forward to working with the wonderful staff, your amazing children and Woodhull's dedicated parents to provide exemplary and enriching learning opportunities for all students in a safe, nurturing and supportive environment.

Being an educator has always rewarded me with the privilege of being able to contribute positively to the lives of others. I have spent the last three and a half years as an assistant principal at Candlewood Middle School in Dix Hills. Prior to becoming an assistant principal, I was a teacher in the Oyster Bay School District for twelve years where I taught 4th grade, Math AIS, and 6th grade math. Throughout my career, I have been fortunate to participate in extensive professional development opportunities, develop strong relationships and take on the important role of instructional leader. I am eager to become a part of the Huntington School District and this incredible school.

On a personal note, my husband Guenther and I live in Northport with our three children. Our weekends are filled with field hockey games, soccer games, t-ball games, gymnastics, and family outings whenever possible.

I am grateful for the warm welcome I have received from Woodhull's teachers, staff and parents.. I would like to especially thank Mr. Stein, our assistant principal, for helping to make my transition to Woodhull a positive one.

I recognize the importance of this position and look forward to our partnership. Please do not hesitate to contact me with any questions, concerns or just introduce yourself.

Sincerely,
Traci Roethel
Principal

Coming Soon.....

"PARP"

Parents As Reading Partners is a NYS PTA collaborative effort among parents, staff and community to build a reading partnership between the home and the school. We are challenging all students to read, preferably with a partner for at least 15 minutes each school night during month of **March**

Classes will participate in reading challenges throughout the week.

MARCH MADNESS

FRIDAY, MARCH 21ST

COME HAVE FUN CHEERING ON YOUR FAVORITE TEACHER AND TEAM

7:00PM HHS

RAFFLES AND PRIZES TOO!

Homework

Please look at your child's agenda book each night. The faculty of Woodhull is firmly committed to the idea that homework enhances and extends the school learning experience. The purpose of homework is fourfold:

1. To help develop good study skills
2. To reinforce skills learned each day in school
3. To provide for extended enrichment beyond the classroom
4. To establish a daily contact with parents who will be constantly aware of the child's academic work

Now that our students are into a routine, please encourage your child to bring all their necessary books and belongings home each night for homework along with their agenda book. We are having too many students returning in the evening to get forgotten items. If they are consistently forgetting something, please notify the teacher to set up a checklist reminder.
