Special Education office-425-4711

WELCOME BACK!

Dear Parents, Students and Staff,

Our school opening was very smooth and we are now into a routine!

Eagle News will be published in the beginning of each month with news and upcoming events. I will always have it posted on my e-board-see directions on page 2.

In order to build a strong partnership between school and home, we will also be sending e-blasts with important information. Please make sure the front office has your email address. If you do not get this through e-blast please email lfitzpatrick@hufsd.edu.

The success of our students is paramount. Research tells us that parental support has a direct impact on a child's success in school.

- Ensure that your child gets a minimum of 8 hours of sleep each night.
- Eat a healthy breakfast or join breakfast program.
- Leave enough time to prepare for school and have your child arrive no later than 8:45.
- Minimize absences as attendance in school is critical for continuity. If your child is sick, stay home but call the attendance line @ 673-2039. You may also request homework to be picked up at 3pm if called in before 11am. Send in a note when he/she returns to be logged as a legal absence.
- Do not pick up your child before 3:00pm as homework assignments are being reviewed up to the last few minutes of the last period. Pickups will be dismissed to go to the cafeteria at 3pm. Send a note to school if your child needs a bus pass or is getting picked up.
- Read the school "Code of Conduct" in the agenda book with your child to familiarize yourselves with the "dress code" and rules that may be different at the intermediate level.
- No electronics permitted in school with the exception of phones (kept only in backpacks). If your child must have a phone for safety reasons to contact you before or after school, it must be off.
- Have your child show you his/her agenda book each night and see the work that was complete to ensure full understanding.

At our "Meet the Teachers" nights each teacher will explain the best mode of communication for them.

Eagle Rewards

Please send in your rewards!

We have collected 2,176 points since the first day of school!!!!

If the school gets 10,000 points by October 11th EVERY class will have their choice of a kickball or soccer ball!

We would also like to purchase two new Smart Boards.

Did you know? Campbell Labels for Education can be found on more than just soup cans. All Pepperidge Farm Products as well as Bic office supplies are "Labels for Education". Even Goldfish bags sold in the cafeteria have them on their bags!

Shared Decision Making Team

Our SDM is made up of parent, teachers and staff members.

We need volunteers from parents and staff.

Our charge will be to develop goals and action plans to align to the Board of Education.
