Bring the whole family (grandparents too) and experience the fun and excitement of math, science, team building, problem solving and collaboration, while competing in exciting family challenges!

Your family will work together to:

- Complete a Math and Science scavenger hunt
- Fill a cargo ship with geometric shapes
- Build the tallest tower
- And other challenging activities

RSVP by Tuesday, November 17th to reserve your spot to join the fun!

Send this form back to school by Tuesday, November 17th if your family plans to attend the Woodhull Parent/Student Workshop. Reserve your spot so you don’t miss out on the fun!

Student’s Name ____________________________ Teacher ______________________

Number of family members attending ____ (including student)
