GENERAL SCHOOL INFORMATION

NURSE’S OFFICE

The good health of your child is important to us. Our school nurse, Mrs. Ironman can be reached in the health office at (673-2030). The nurse is responsible for assisting students and staff who might be ill or hurt, and for dispensing medication to students. The nurse may also be consulted on matters related to possible hygiene problems, nutrition, drug and substance abuse, depression, child abuse, neglect or other health related concerns.

CAFETERIA

The Huntington School District participates in the National School Lunch and Breakfast Program. Breakfast is available to students before school. A menu is published and sent home each month. The cost of lunch is $1.90. Prepaid meal tickets can be purchased from the cafeteria.

CAFETERIA RULES AND BEHAVIOR

During the lunch periods, the cafeteria should be a place for students to eat and enjoy the company of classmates. Our goal is to have a safe and clean environment where people act with courtesy and respect.

HALL PASSES

Students are not permitted in the hallways during instructional time unless they have a hall pass.

ATTENDANCE

Regular attendance at school is a key component to academic success. If a student is going to be absent from school please call the attendance office. When your child is absent you must call this number and give your child’s name, grade, teacher, and reason for the absence. If this is not done, the school will call you to verify your child’s absence. When your child returns to school after an absence, a written excuse note must be brought to the teacher for attendance records.
OUTDOOR RECESS

The recess period follows or precedes lunch for approximately 20 minutes each day. Recess will be outdoors whenever weather permits. Please send your child to school with weather appropriate clothing and proper footwear.

LOST AND FOUND

Lost articles of clothing are stored in the cafeteria. Jewelry and smaller items are stored in the main office. Children should periodically check the lost and found for missing items. After a reasonable time, unclaimed items will be donated to charity.

PARENT TEACHER CONFERENCES

Each November there is time set aside for teachers to discuss the progress of their students with their parents or guardians. During the conference, the first report card will be given. Each child’s progress, standardized test scores and special needs are discussed and explained. Parents should attend these conferences to find out how they and the school can work together to help children succeed.

REPORT CARDS

There are four report cards given each year. The first report card is given at the November Parent-Teacher Conference. The other three report cards are sent home in January, April and June. Teacher assignments for the next school year will be mailed home at the end of the summer vacation. Please feel free to contact your child’s teacher at any time if there is a problem or question. Do not feel you have to wait for the teacher to contact you or for the report card to come home to ask how your child is progressing.

HOMEWORK

The faculty of Woodhull is firmly committed to the idea that homework enhances and extends the school learning experience. The purpose of homework is fourfold:

1. To help develop good study skills.
2. To reinforce skills learned each day in school.
3. To provide for extended learning experiences beyond the classroom.
4. To establish a daily contact with parents who will be constantly aware of the child’s academic work.

STUDENT DRESS CODE

All students are expected to give proper attention to personal cleanliness and to dress appropriately for school and school functions. Students and their parents have a primary responsibility for acceptable dress and appearance.

PROHIBITED STUDENT CONDUCT

The Board of Education expects all students to conduct themselves in an appropriate and civil manner, with proper regard for the rights and welfare of other students, district personnel and other members of the school community, and for the care of school facilities and equipment.

The best discipline is self-imposed, and students must learn to assume and accept responsibility for their own behavior, as well as the consequences for their misbehavior. District personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the student’s ability to grow in self-discipline.

The board recognized the need to make its expectations for student conduct while on school property or engaged in a school function specific and clear. The rules of conduct listed below are intended to do that and focus on safety and respect for the rights and property of others. Students who do not accept responsibility for their own behavior and who violate these rules will be required to accept the penalties for their conduct.

Students may be subject to disciplinary action, up to and including suspension from school, when they:

**DISCIPLINARY PENALTIES**

The following is from the Huntington Union free School District Code of Conduct adopted in July, 2001.

Discipline is most effective when it deals directly with the problem at the time and place it occurs, and in a way that students are expected to use disciplinary penalties only when necessary and to place emphasis on the students’ ability to grow in self-discipline.

Disciplinary action, when necessary, will be firm, fair and consistent, so as to be the most effective in changing student behavior. In determining the appropriate disciplinary action, school personnel authorized to impose disciplinary penalties will consider the following:
1. The student’s age.
2. The nature of the offense and the circumstances, which led to the offense.
3. The student’s prior disciplinary record.
4. The effectiveness of other forms of discipline.
5. Information from parents, teachers, and/or others as appropriate.
6. Other extenuating circumstances.

As a general rule, discipline will be progressive. This means that a student’s first violation will usually merit a lighter penalty than subsequent violations. If the conduct of a student is related to a disability or suspected disability, the student shall be referred to the Committee on Special Education and discipline, if warranted, shall be administered consistent with the separate requirements of this code of conduct for disciplining students with a disability or presumed to have a disability. A student identified as having a disability shall not be disciplined for behavior related to his/her disability.

**PENALTIES**

Students who are found to have violated the district’s code of conduct may be subject to the following penalties, either alone or in combination. The school personnel identified after each penalty stated below are authorized to impose the penalty, consistent with the students right to due process.
1. Verbal Warning-bus drivers or any member of the district staff.
2. Written warning-bus drivers or any member of the district staff.
3. Written notification to parent-bus driver, coaches, advisors, guidance counselors, teachers, principal, superintendent.
4. Detention-teachers, principal or his/her designee, superintendent.
5. Suspension from transportation-principal, his/her designee superintendent.
6. Suspension and or removal from athletic participation-designated supervisors, coaches, athletic director, principal, superintendent.

**CHARACTER EDUCATION PROGRAMS**

Character education is a school wide program integrated throughout class activities and curriculum. Woodhull Intermediate School strives to create an environment of respect for oneself as well as others. We work cooperatively and develop a sense of responsibility and pride. Through our library, arts, physical education, music, classroom instruction, and specific workshops our goal is to develop citizens with virtues. We encourage parental participation through workshops, support of programs and positive role modeling.

**The Bully Program**- This is presented to our fourth grade students and is designed to combat negative behaviors. Proactive approaches to peer conflicts are taught. The contents of this program include communication, respect, understanding behaviors, and conflict resolution skills.

**Caught Being Good Program**- This is a weekly program that recognizes students for kind, cooperative, and exemplary behavior. Students who exhibit these behaviors are presented with a “Caught Being Good” slip. The slip is then deposited in a grade level bin. Each week one student from each grade level is presented with a prize as recognition for his or her good behavior.

**PARENT TEACHER ASSOCIATION**

Parent Participation in the life of the school is one of the greatest resources of Woodhull Intermediate School. The Parent Teacher Association serves not only as a representative of parent concerns but also is a partner in establishing a wholesome and positive environment in the school. PTA representatives serve as active and important members of the Shared Decision Making Committee and are vital to the success of our annual Arts in Education and People as Reading Partners programs.
