Dear Students, Parents and Community Members,

Let me take this moment to wish all members of the Huntington school community a very happy and healthy Thanksgiving holiday. It seems like just moments ago that we opened our doors to begin the school year and here we are at the onset of the holiday season ...

Despite the challenges that we may face on the state or local levels, we, as a district, have a great deal for which to be grateful. Our students are thriving both within and beyond the classroom as a result of their continuing efforts, the efforts of their teachers, administrators and support staff members, and an ever strengthening home-school partnership.

Again, please enjoy the holiday with friends and loved ones. We look forward to seeing our students refreshed and re-energized on Monday, December 2.

Warmly,

James W. Polansky  
Superintendent of Schools
