

Huntington Union Free School District

"A Tradition of Excellence since 1657"

James W. Polansky

Superintendent of Schools

August 6, 2015

Dear Huntington School Community Members:

The 2015-2016 Huntington School District Calendar is on its way to resident households, if it has not arrived already. It has also been posted to the Huntington School District website (www.hufsd.edu). Additionally, note that the District's 2015-16 interactive calendar will provide even more detailed information on specific events and will reflect any changes caused by weather or other unforeseen circumstances.

To access either the print or interactive versions of the calendar from our website, please click 'District Calendar' on the 'Quick Click Bar.' The interactive calendar offers many features that will assist you in planning for the new school year. You can sort events by school or event category. Furthermore, you can download all or parts of the calendar using the 'Export' feature, which might make it easier for your personal reference.

Additionally, if you are interested in receiving an e-mail reminder before an upcoming event, just click on the event and a window will open; click on the 'Remind' button, enter your e-mail address and choose how much advanced notice you would like. Should you need assistance in navigating the calendar, a 'Help' button is available in the upper right corner.

There are many exciting events on our 2015-2016 agenda. I hope you find the information contained in our calendars helpful as you plan for year ahead.

Be reminded that schools open for students on Wednesday, September 2! Please enjoy the rest of your summer.

Sincerely,

James W. Polansky

Superintendent of Schools
