PREAMBLE

WHEREAS, the Board and the Association recognize that providing a high-quality educational program for the children of Huntington Union Free School District, Town of Huntington, is for the benefit of said children and the District as a whole; and

WHEREAS, the Board and the Association recognize that the implementation of such a program depends primarily upon the quality, morale, and input of teaching services; and

WHEREAS, the members of the teaching profession have a special expertise which entitles them to participate in determining policies and programs designed to improve educational standards; and

WHEREAS, the Board has recognized the Association as the exclusive representative of its teaching personnel for purposes of collective negotiations with respect to hours, wages, terms and conditions of employment; and

WHEREAS, the goal of the Board and the Association and the New York Legislature in enacting the Public Employee's Fair Employment Act of 1967 is to "promote harmonious and cooperative relationships between the government and its employees;"

WHEREAS, the parties have as the result of collective negotiations reached certain agreements which they desire to confirm in this Agreement.

NOW, THEREFORE, it is agreed as follows:

ARTICLE I

RECOGNITION

The Board recognizes the Association as the exclusive representative of the employees in an appropriate negotiating unit consisting of professional staff whose positions require certification by the New York State Department of Education excluding the Superintendent and immediate members of his/her staff, all elementary and secondary school principals, assistant principals, administrative assistants, all substitute teachers, department chairpersons, and supervisory personnel at the district level who report to the Superintendent's Office, including but not limited to, Director of Art, and Director of Instructional Technologies, Director of Music, Director of Health, Physical Education and Interscholastic Athletics and Executive Director of Special Education and Student Support Services for the purpose of collective negotiations in the determination of and administration of grievances arising under, the terms and conditions of employment of the employees in the negotiation unit.

Unless otherwise indicated, the employees in the above unit will hereinafter be referred to as "teachers".

ARTICLE II

GRIEVANCE PROCEDURE

A. A grievance is defined as:

1. A dispute or difference between an employee in the bargaining unit and the Board which may be processed up to and including Step Two of the Grievance Procedure: or
2. A dispute or difference between the parties to this labor agreement as to the application and/or interpretation of the terms of this Agreement, which may be carried to arbitration.

B. Who may initiate a grievance?

1. A grievance as defined in A-1 above may be initiated by an employee in the bargaining unit on his/her own behalf.

2. A grievance as defined in A-2 above may be initiated by an employee in the bargaining unit on his/her own behalf. Such a grievance may also be initiated by the ATH, either on its own behalf or on behalf of any employee or group of employees in the bargaining unit.
- C.**
1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise. Both parties agree that these procedures will be kept as informal and confidential as may be appropriate at any level of the procedure.
 2. Nothing herein contained will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration, and to have the grievance adjusted, provided the adjustment is not inconsistent with the terms of this Agreement and provided further that the Association be given notice of the terms of such adjustment.
- D.**
1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each step should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to the aggrieved person, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
 2. The grievant may be represented at all stages of the grievance procedure by a person of his/her own choosing, except that he/she may not be represented by a representative or an officer of any teacher organization other than the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the Grievance Procedure except Step One.

STEP ONE

The grievant, within thirty (30) working days after the act or condition on which the grievance is based or within thirty (30) working days of the time that the grievant should have become aware of the act or condition on which the grievance is based, will first discuss it with his/her principal or immediate supervisor, either directly or through the Association's Building Committee or Representative or in a manner consistent with the above, with the objective of resolving the matter informally.

At the conclusion of the informal conference(s) at this level, and prior to the issuance of a final decision, the grievant shall file a written statement as to the Article grieved, the basis for the grievance and the relief sought.

Decisions rendered at Step One of the Grievance Procedure will be in writing, setting forth the decision and the reasons therefore, and will be transmitted promptly to the grievant and to the Association.

STEP TWO

- a) If the grievant is not satisfied with the disposition of his/her grievance at Step One, or if no decision has been rendered within ten (10) days after presentation of the grievance, he/she may file an appeal in writing simultaneously with the Association and the Superintendent within five (5) days after the decision at Step One, or fifteen (15) days after the grievance was presented, whichever is sooner.
- b) Within ten (10) days after receipt of the written appeal of the grievance by the Superintendent, the Superintendent will meet with the grievant and, if the grievant is not the Association, a representative of the Association, in an effort to resolve it.
- c) Failure to file the appeal referred to in (a) within the time limitations stated therein shall be construed to be an abandonment of the grievance and no further action may be taken thereon by the grievant.

STEP THREE

- a) If, within fifteen (15) days after first meeting with the Superintendent, a mutually satisfactory adjustment or settlement of a grievance is not agreed upon as a result of the successive conferences provided for, then and in that event, the Association may, not later than five (5) working days after the fifteen (15), submit only a grievance, which involves the interpretation and/or application of the terms of this Agreement, to arbitration for determination in the manner hereinafter provided. Failure to notify the Superintendent of intent to pursue a grievance to arbitration within the time limits referred to herein shall be taken thereon by the grievant.
- b) Within ten (10) days after the Association advises the Board in writing that it will submit the grievance to arbitration, the Board and the Association will agree upon a mutually acceptable arbitrator from a list of arbitrators submitted by the American Arbitration Association. The parties will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- c) The arbitrator will confer with representatives of the Board and the Association and hold hearings no later than fifteen (15) days after his/her appointment and will issue his/her decision not later than thirty (30) days from the date of the close of the hearings, or the filing of briefs, if briefs are filed, or if oral hearings have been waived, then from the date the final statements and proofs are submitted to him/her, unless otherwise mutually agreed. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which requires the commission of any act prohibited by law, nor may he/she in any way amend, change or modify the terms of this Agreement. The decision of the arbitrator will be final and binding on all parties.

d) The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, will be borne equally by the Board and the Association.

E. Miscellaneous

1. Decisions rendered at Steps One, Two and Three of the grievance procedure will be in writing, setting forth the decision and the reasons therefore, and will be transmitted promptly to the grievant and to the Association.
2. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be prepared by the Board and distributed to the Association in order to facilitate operation of the grievance procedure.
3. All documents, communications, and records dealing with the process of a grievance, will be filed separately from personnel files.
4. If a grievance arises involving a member of the Administration at a level above the principal or immediate superior, the grievant shall, within thirty (30) working days after the act or condition on which the grievance is based, or within thirty (30) working days of the time the grievant should have become aware of the act or condition on which the grievance is based, submit such grievance in writing to the Superintendent directly and the processing of such grievance will be commenced at Step Two.
5. Failure to comply with the time limitations referred to in D-Step One and/or in E-4 above shall constitute an abandonment of the grievance and no further action may be taken thereon.
6. It is understood that if a grievance meeting is mutually selected during the school day, the President of the Association shall be relieved of his/her classes at no loss of pay.

ARTICLE III

NO DISCRIMINATION

Neither the Board nor the Association will discriminate or take reprisals against any teacher with respect to terms and conditions of employment by reason of his/her membership in the Association or any other employee organization, participation in the activities of the Association or any other employee organization, or initiation or processing of any grievance or complaint under this Agreement.

The Board and Association further agree not to, directly or indirectly by acts of commission or omission, take reprisals in any manner against any member of the staff for any reason whatsoever.

ARTICLE IV

PROFESSIONAL RESPONSIBILITIES

A. Present practice in respect to ad hoc parent conferences will be maintained except that, for conferences initiated by parents, the teachers will notify the principal of the scheduling of such conferences prior thereto, if possible, on forms to be supplied by the Principal's Office where such conferences appear to be more than routine. Nothing in this section shall in any way prohibit the teachers from arranging a conference with a parent before and after the working day.

There shall be one evening parent/teacher conference grades K-12. Each such conference shall be four hours in length. At the elementary level, the evening conference will be held following afternoon conferences on the same day unless otherwise agreed by the ATH President and Superintendent. The conference shall occur on a date when school is in session and shall consist of a format providing for individual parent/teacher conferences. The conference shall end no later than 8:30 p.m. The District shall provide appropriate security for the evening conference. Teachers with split building assignments shall split conference time between said buildings. All teachers will remain until the end of the scheduled evening conference time for the building.

B. The building principal, director, or other administrator may

require daily lesson plans of teachers which are subject to inspection in the classroom or outside the classroom at the option of the administrators referred to herein, provided teachers are permitted to make copies of any plans prior to their removal from the classroom by the said administrator. In addition, teachers will have plans available for substitutes which shall be similarly available for inspection by the principal, director or other administrator. The word "plans" as used in this paragraph shall be defined as written evidence of a program of instruction and teaching procedures containing materials consistent with the curriculum.

- C. Preparation of grades and other associated professional tasks, which require the teacher's professional expertise, shall be maintained as heretofore.
- D. Attendance at one evening meeting for Back to School Night, Meet the Teacher, or similar meeting shall be considered as part of the professional responsibility of all teachers. A suitable meeting will be designed to enable special teachers to explain their functions; this meeting to be planned jointly by principals, supervisors, the appropriate District Subject Matter Councils and the teachers involved.
- E. Building faculty meetings which extend beyond or start after the teacher's working day, as described and defined elsewhere in the Agreement, may be called by a building principal, by any coordinative or supervisory personnel working at the district level who report to the Superintendent's Office, or by a Department Chairperson/Coordinator. Teachers in the elementary and junior high schools, unless excused by the caller of the meeting, may be required to attend no more than twenty such meetings per year, which will not occur more than three times per month and not normally be longer than one hour, commencing within ten minutes after the dismissal of pupils. Teachers in the senior high school, unless excused by the caller of the meeting, may be required to attend no more than ten such meetings per year, which will not occur more than three times per month and not normally be longer than one hour, commencing within ten minutes after the dismissal of the pupils and, in addition, ten hours of such meetings in one year, each of which may be longer than one hour, commencing within ten minutes after the dismissal of pupils. The first regularly scheduled meeting shall be held on the first Monday of the month.

If such first Monday of the month is not a school day, the first faculty meeting of the month shall be held on the first school day after such Monday. Subsequent meetings during the month shall be held on Mondays, except in emergencies, in which event the principal may schedule a meeting on a day other than a Monday. Such subsequent meetings shall be called on notice which shall be distributed to the teachers no later than noon of the day of the meeting. Such notice shall contain a tentative agenda. The second Monday of each month shall be uniformly free of all such meetings at all schools in order to permit the Association to schedule a general meeting of its own.

- F. Teachers shall have due regard for the safety of pupils. In order to assist with the supervision of students, teachers may be required to supervise corridors during the passing time between classes and subject to the needs of teachers to utilize restroom facilities and respond to the academic needs of students.
- G. Teachers acknowledge that their professional role encompasses a responsibility for supervision of student activities related to the instructional program and of activities designed to meet the school responsibility for developing character, social awareness and personal integrity.

A teacher who chaperones a school-sponsored dance or supervises a school-sponsored interscholastic competition (activities which are not usually course or curriculum related) beyond his/her normal working day shall generally do so on a voluntary basis. Such duties, whether voluntary or non-voluntary, shall be assigned on an equitable basis and the teacher shall be paid extra compensation as stipulated in Article XXXVII.

- H. Any other duties during the teaching day not excluded under Article VI shall be continued as present practice.
- I. Where participation in public performance might be considered a desired outcome of an instructional program or activity, the preparation for and direction of such performance shall be handled in accordance with present practice.
- J. During the first year of employment of a teacher who has not had previous teaching experience, such teacher shall be encouraged to devote a reasonable number of his/her preparation periods to

observing classes conducted by more experienced teachers, or to consulting others familiar with classroom problems. Such teacher will further be encouraged to participate in an after-school training program designed to heighten the capabilities of inexperienced teachers.

- K. All probationary teachers shall be required to attend a total of up to 21 hours annually of staff development sessions as developed and determined by the District in consultation with the ATH. For tenured teachers, this obligation shall be up to 13 hours annually. At the option of and to the extent determined by the District, staff development program may be delivered through the Teacher Center. Teachers shall be provided with notice of the staff development sessions each teacher will be required to attend on or before February 1st for Fall semester sessions and on or before September 1st for Spring semester sessions.

ARTICLE V

TEACHING HOURS AND TEACHING LOAD

- A. The length of the teaching day shall be 7 hours.
- B. All secondary teachers shall have a duty-free lunch period daily equal to one regular class period. Elementary teachers shall have a duty-free lunch period of 40 minutes daily. Notwithstanding this provision and Paragraph F, a shortened period bell schedule can exist at the high school for assembly purposes provided that the high school lunch period shall be no less than 35 minutes on assembly days. All secondary school teachers shall have at least one regular class period of preparation time each school day during which time they shall not be assigned to other duties except in emergency. All elementary teachers in grades 1 to 6 will be provided with a daily preparation period of at least forty (40) minutes during the time the pupils are in school except as provided for in Section C of this Article.

If, however, the principal feels it becomes necessary because of scheduling difficulties, a maximum of two teachers per building may be assigned to an altered preparation period schedule of one day in the week without a preparation period and one day in the same week with two preparation periods.

Those teachers assigned their five preparations over a four-day period of time shall not be so assigned more than once in six years.

Teachers whose weekly schedule contains six preparation periods shall be considered first for the altered preparation period schedule and so assigned if the principal feels it meets the scheduling needs of the building.

They may take this preparation period during a time when a special teacher is in charge of their class, and the teacher has the option of leaving. However, the teacher who elects to remain in his/her class at this time thereby forgoes his/her preparation period. Each kindergarten teacher will be provided with thirty (30) minutes of aide time per day.

The schedules of teachers other than elementary regular classroom teachers may be altered in order to provide for staggered starting and ending times within a building provided however that such altered schedules shall not exceed one period in length or its equivalent.

- C. The work which elementary music teachers perform in connection with glee club and assemblies shall be counted as part of their teaching load, and such teachers shall have the same working day as other teachers in the school or schools in which they are working, including at least a forty (40) minute duty-free lunch period and a forty (40) minute preparation period or vice versa.
- D. In the event that teacher aides are employed in the elementary schools by the Board of Education, they will assist in classroom work and in the library at the option of the teacher involved. If the teacher exercises such option, the teacher aide shall be under his/her direction, supervision and control. The classroom assignment of teacher aides in any building shall be the subject of consultation and discussion with the building committee of that building.

Teacher Aides are not to be interpreted as Case Aides. A Case Aide is an individual assigned as a result of a decision of the Committee on Special Education.

This article will not be invoked in a question about the placement of Special Education students.

- E. If possible, teachers shall meet their classes in a single, designated classroom and shall not have classes scheduled in other rooms.
- F. The standard teaching load of secondary subjects (grades 7-12) shall be five (5) class teaching periods. The standard subject load shall be two subjects per school year and three (3) teaching preparations (defined as a lesson designed for a subject and grade level). The total number of minutes assigned for teaching periods shall be considered in computing the actual number of teaching periods so assigned. It is understood that science teachers will have four (4) class teaching periods and their class-related laboratory work, not to exceed a total of twenty-eight (28) periods per week.

Those science teachers who have twenty-eight (28) such periods per week shall be relieved of homeroom duty and, if possible, the science room of such teacher shall not be used for homeroom purposes. Any additional such periods per week shall be considered to constitute a professionally related activity as provided in Article VI, Paragraph E hereof. Additional assistance will be provided to aid such teachers in such activities as laboratory set-up, clean-up and inventory work.

Any change in the standard teaching subject or preparation load prescribed above shall be by negotiation or subject to the grievance procedure of Article II with the administration to establish the reasonableness of the change under all the circumstances.

The parties agree that, the middle school will be organized so as to provide for a nine-period student day and additional teacher time generated as a result of this organization shall be subject to assignment of the teacher pursuant to Article VI, Paragraph E, Sections 2 through 8. Notwithstanding the above, no teacher shall be assigned an additional duty period pursuant to Article VI, Paragraph E-2, until such time as all available teachers from the staff have been assigned to a first duty period pursuant to this

paragraph.

- G. When possible, elementary classroom teachers, including kindergarten teachers and reading teachers, shall not be assigned to more than one building.
- H. If possible, special professional personnel shall have an appropriate room and other facilities which permit the effective discharge of their responsibilities to their pupils.
- I. Subject only to the provisions of this Agreement, teachers shall not be required to attend meetings scheduled before or after the teaching day.
- J. At the elementary level during that time before the start of the student day, or after the end of the student day, teachers shall be required to perform professional tasks such as:
 - 1. Meetings with administration, staff, parents, including, but not limited to CSE/IST meetings.
 - 2. In-service or Professional Training (Article XI, Second Unnumbered Paragraph) do not apply in connection with this paragraph.
 - 3. Assistance with the entrance/exit of students to/from school.

The specific professional task to be performed during this professional time will be determined by the building principal. In the absence of such a determination as to any particular professional period, the teacher shall select a task from the above list.

The length of the student day at the elementary level shall be determined by the District. The beginning/end of the student day may be organized so as to provide for 30-minute sessions as follows:

- 1. Tutorial and extra help of students, including the planning, therefore, to the same extent as required in connection with the balance of the work day.
- 2. Enrichment programs developed by the principal in consultation

with teachers.

To the extent that the principal selects tutoring, extra help, the time shall be utilized to reinforce/support/reteach material previously delivered in class. However, this limitation shall not apply in connection with the "pre-teaching" of material.

Effective September 1, 2013, elementary teachers will be provided the equivalent of four half-days of release time, specifically one half-day per quarter, to be scheduled at the discretion of the administration for the purpose of evaluating benchmark assessments and student growth measures.

At the middle school level, to the extent that an organizational structure provides for a nine (9) period day in accordance with Paragraph F of this Article, teachers' schedules shall be as follows:

- 5 teaching periods
- 1 lunch period
- 1 preparation period
- 2 duty/professional periods to be used interchangeably in accordance with Article VI, Paragraph E of this contract.

Effective September 1, 2013, teachers shall be scheduled 1.75 duty/professional periods.

To a maximum of two days per week, this schedule may be modified so as to provide a 10th period of no more than 24 minutes at the end of the student day. This period shall be utilized for tutorial/extra help/enrichment to the same extent as is required of teachers at the elementary and high school levels as referred to herein. A reasonable effort will be made to limit student load to 10 but in no event will more than 12 students be assigned to a teacher for tutorial/extra help/enrichment. Effective September 1, 2013, while scheduling decisions remain in the discretion of Administration and shall be final and binding, a reasonable effort will be made to:

Not schedule four or more teaching/study hall/tutorial periods in a row; and

Schedule only one duty/professional period daily as a student contact period (i.e., tutorial, study hall).

In the event either of these is not accomplished, the ATH President will be provided advance notice and an explanation of Administration's reasonable effort. In addition, when requested by the ATH President, the Superintendent agrees to meet with the ATH President to review these scheduling matters.

At the high school level, the teaching day shall be structured as follows:

- 5 teaching periods
- 1 lunch period
- 1 preparation period
- 2 duty/professional periods to be used interchangeably in accordance with Article VI, Paragraph E of this contract.

Effective September 1, 2013, teachers shall be scheduled 1.75 duty/professional periods.

Effective September 1, 2013, while scheduling decisions remain in the discretion of Administration and shall be final and binding, a reasonable effort will be made to:

Not schedule four or more teaching/study hall/tutorial periods in a row; and

Schedule only one duty/professional period daily as a student contact period (i.e., tutorial, study hall).

In the event either of these is not accomplished, the ATH President will be provided advance notice and an explanation of Administration's reasonable effort. In addition, when requested by the ATH President, the Superintendent agrees to meet with the ATH President to review these scheduling matters.

K. In the senior and junior high schools, a sign-in/sign-out sheet containing an alphabetical listing of staff shall be maintained in the office of the department chairperson, where chairpersons exist, and in all other cases in the main office. Teachers shall initial

the sheet opposite their names indicating arrival in the morning and departure in the afternoon.

- L. In addition to any other reference to tutorial or extra-help services referred to in this contract, teachers grades K-12 shall be required to provide extra help services to students at no additional compensation once per week for 40 minutes after the end of the teacher work day.

Students may be assigned to such services by the teacher or building administrator.

Said assignments shall be Monday through Thursday only.

Subject to the District's right to ensure that 25% of the staff in each department is available for extra-help each day, conflicts between teachers as to the day on which assignments will be served will be resolved on the basis of seniority.

Teachers may make application to the building principal for permission to provide the extra help referred to in this paragraph before the beginning of the teachers' day which may be granted at the discretion of the principal.

ARTICLE VI

FREEDOM FROM NON-PROFESSIONAL TASKS

The Board and the Association agree that a teacher's primary responsibility is to teach and that his/her energies should be utilized to that end. Accordingly, they stipulate as follows:

- A. Teachers shall be relieved of supervision of cafeterias, lavatories, and lunchtime playground duty. It is understood that, while aides are responsible for the performance of these non-professional tasks, and the administration has supervisory responsibility for school aides, teachers naturally will give professional assistance to the school aides and monitors when needed in special situations.

- B. Teachers shall not be required to perform clerical functions such as keeping registers and duplicating instructional materials, provided that the teacher gives reasonable prior notice to the clerical staff of the need for such materials. Present practice will be maintained in respect to taking inventories of books and materials and scoring standardized tests.

- D. Teachers are responsible for the preparation of materials for classroom use. Clerical help will be provided so that such materials may be prepared with the understanding that the teacher provide reasonable notice to the clerical staff.

If the number of students assigned to the teacher directed activity falls below 22, the teacher-directed activity is subject to cancellation by the principal
 - m) As an alternative to a tutorial/enrichment, teachers could request to be assigned to the classroom or another teacher in the department to assist in the delivery of instruction. Final authority as to this alternative assignment shall rest with the building principal.
 - n) Student Testing
3. To the extent that the principal does not assign a teacher to a professional task in accordance with this paragraph, during a specific duty/professional period, the teacher shall select a specific task from the above list. Tutoring shall be utilized to reinforce/support/reteach material previously delivered in class. However, this limitation shall not apply in connection with the "pre-teaching" of material.
4. Students assigned to a teacher's tutorial shall be from subjects currently being taught by the teacher. In addition, the District shall make a reasonable effort to assign a teacher's own students to said tutorials. Such assignments, however, shall be subject to review by the Superintendent only and shall not be otherwise subject to the grievance machinery

of the contract.

5. No formal observations shall be required in connection with the tutorial/enrichment assignments referred to at subparagraph 1 above. A rubric for observation and evaluation will be determined by the Superintendent of Schools or his designee in collaboration with teachers.

In the event the number of student school days falls below 180, the Board shall have the option of changing the calendar to bring the number of days for students to 180. At the elementary level, K-6, the last two (2) days of school shall be shortened by 2-1/2 hours per day for students in order to allow teachers to complete end of year activities. During the life of the contract, the Board shall continue to schedule elementary parent conferences as in the past.

In the first year of employment, teachers shall be required to attend two additional orientation/development days without additional compensation. Attendance on these days shall be a condition of

employment as to all new employees.

ARTICLE VIII

PROTECTION OF TEACHERS

- A. If a teacher is assaulted in connection with his/her employment, he/she shall immediately give the Superintendent written notice of that fact. The Superintendent shall transmit such report to the Board forthwith. B. Retirement Incentive

the New York State Teachers Retirement System are eligible for the following benefit:

ARTICLE XXII

ACADEMIC FREEDOM

The Board and the Association agree that academic freedom is essential to

the fulfillment of the purposes of the school system, and they acknowledge the fundamental need to protect teachers from any censorship or restraint which might interfere with their obligation to pursue truth in the performance of their classroom functions. Accordingly, they agree as follows:

The nature of American democracy demands that citizens be able to listen to all sides of a controversial issue, sort out the facts, and arrive at independent conclusions. Students in school, therefore, have a right to be exposed to issues which are within their intellectual grasp and are under current debate in our society.

This right of students imposes certain obligations upon the Board, the teachers, the administration and the community.

The Board will attempt, through its policies, to employ capable teachers, supply them with the necessary teaching materials, and maintain an atmosphere of academic freedom in the schools.

The teachers, as individuals and through their councils, committees and departments, will be responsible for determining when and how to deal with controversial issues according to the maturity and needs of students and the policies of the Board of Education.

The community has a right to expect that controversial issues will be presented in a fair and unbiased manner and to communicate through proper channels to the Board of Education if convinced that they are not.

The administration will be available to assist teachers who are in doubt regarding the appropriateness of discussion of certain controversial issues.

The private and personal life of a teacher is not within the appropriate concern or attention of the Board except as it may interfere with the teacher's responsibilities to and relationships with students and/or the school system. Teachers will be entitled to full rights of citizenship, and no religious or political activities of any teacher outside of school, or the lack thereof, will be grounds for any discipline or discrimination with respect to the professional employment of such teacher, providing they do not violate the Constitution of the United States.

ARTICLE XXIII

EDUCATIONAL DEVELOPMENT COMMITTEE

The Board and the Association agree that the professional staff is and

should continue to be a major source of developments and innovations in improving educational programs carried on in public schools. The parties agree further that it is important for the professional staff to participate in the overall coordination of studies, projects and other activities directed toward the development, improvement and implementation of such programs, toward the evaluation of existing programs, toward the devising, testing and introduction of new programs, and toward research in pertinent educational and related areas. The parties recognize that there are other institutional and community resources capable of great contributions toward these ends and that the utilization of such resources shall be coordinated with the efforts of the school administration and the professional staff. Accordingly, it is agreed that an Educational Development Committee shall be formed for the purposes of establishing major goals in the district, setting priorities and making recommendations to the Superintendent for their implementation.

This committee shall consist of ten (10) professional educators of whom five (5) shall be designated by the Association and five (5) by the Superintendent. Each set of five (5) shall be drawn from the primary, intermediate, junior high school, senior high school and special areas of instruction in the district, so that the Committee will consist of two representatives from each of these five (5) areas. The Association shall notify the Superintendent of the names of the persons designated to serve in each area.

This committee shall establish its own times of meeting and rules of procedure, including selection of a chairperson, and shall have the right to meet with the Superintendent periodically, not more often than once a month, unless by mutual agreement.

Any sub-committee of the Educational Development Committee shall report to the full committee. This committee shall regularly report to the Superintendent the matters it is considering and its recommendations respecting the same.

For each school year during the term of this Agreement, \$5,000 for necessary research, materials and consultants will be provided from the Superintendent of Schools to be expended on and for Committee projects approved by the Superintendent. Committee project requests for funds shall be made to the Superintendent by March 1st of each school year. The availability of funds for such Committee purposes, however, is contingent upon voter approval of the budget.

When meetings of the Committee are scheduled during school hours, the members thereof shall be released from their regular duties provided that such meetings during such hours shall not be scheduled more often than once a month, without the approval of the Superintendent.

The Superintendent will not introduce any change in or new teaching method or material or aid unless the Educational Development Committee has been consulted.

For each school year during the term of this Agreement, \$2,500 shall be provided for the purchase of materials for a professional library. A committee selected by the Educational Development Committee shall make recommendations for the purchase of materials and such recommendations shall be submitted by March 1st each year. The availability of such funds is contingent upon voter approval of the budget.

RIGHTS OF THE ASSOCIATION

- A. The Association is the exclusive representative of the employees in the negotiating unit covered by this Agreement under the laws of the State of New York and the resolution of the Board adopted November 14, 1967. Accordingly, the Association shall have the right to engage in the following activities in order to carry out and discharge its authority and responsibility under law and the aforesaid Resolution.
1. To use school buildings for meetings, subject to reasonable procedures in order to avoid scheduling conflicts.
 2. To use faculty bulletin boards which shall be provided by the Board in each building, teacher mailboxes, district courier services and duplicating machinery provided that priority shall be given to school needs and that the operator shall be competent.
 3. To appear and speak at faculty meetings for ten minutes.
 4. To appear and speak to new teachers on Orientation Day and to the entire faculty at the Superintendent's meeting on the first day of school.
 5. To hold meetings for Association business within ten minutes after the end of the working day in the particular building. These meetings, where possible, should not conflict with scheduled faculty building meetings as defined in Article IV.
- B. When the Board and the Association schedule negotiations during school hours, the Association's seven-member negotiating team will be released without loss of pay. The Board and the Association agree that the Association may designate one person in each elementary school, two persons in each of the junior high schools, four persons in the senior high school, and the President of the Association for the purpose of investigating and processing grievances at their appropriate level of operation. The Superintendent will be notified by the Association of such designations. When it is necessary for such persons to investigate or process a grievance during a school day, he/she may investigate or process such grievance without loss of pay, provided however, that he/she will not be released from his/her classroom duties for such purposes without one day's prior notice to the appropriate principal or immediate supervisor. Each person so designated to investigate or process grievances shall not be permitted to spend

more than four hours a week of released time investigating or processing such grievances.

In the course of their investigation and processing of grievances, such designated persons shall in no way interfere with or interrupt any other teacher in the discharge of that teacher's daily responsibilities to the District and to his/her students.

- C. The Board will transmit to the Association two copies of the minutes of official Board meetings as soon as possible after such meeting. The official agenda for each Board meeting will be transmitted to the Association the morning of the day prior to such meeting. (The agenda will exclude all items relating to personnel).

The Association shall be provided with at least twenty-four hours notification of all special meetings of the Board of Education when the members of the Board themselves have received at least twenty-four hours notice of such meeting, or if such notice is not possible, as much notice as circumstances permit.

- D. The Board will cause copies of this Agreement to be printed at its expense in sufficient quantity so that a copy can be distributed to each teacher covered by the Agreement.
- E. Two copies of all policies of the Board and of the Superintendent bearing on the terms and conditions for the employment of teachers shall be given to the Association. These files shall be kept current by sending two copies of additional or revised policies to the Association immediately after adoption.
- F. Each school shall continue to have a building committee of three to five members of AFT Local 2474 to discuss and consult with the building principal or immediate superior on matters of interest to the faculty of that building. Present practice shall prevail concerning the time for the holding of building committee meetings.
- G. The President of the Associated Teachers of Huntington shall be relieved of one section of classroom instruction daily or its equivalent. The release will be provided at the end of the normal workday. However, it shall not act so as to relieve the president of his/her obligation to provide extra help pursuant to Article V, paragraph L.

their salaries an agency fee.

Every employee appointed after the effective date of this provision who does not join the Union at the time of appointment shall have an agency fee deducted. If the employee joins the Union, such agency fee deduction shall be discontinued on the same date the dues checkoff authorization takes effect. The Union shall be obligated to immediately provide the district with the name of any employee in connection with whom such agency fee deduction should be discontinued.

An employee who terminates Union membership shall have deducted from his/her salary an agency fee. Such agency fee shall be effective on the same date as the revocation of authorization for dues deduction takes effect.

The agency fee for each employee covered by this Agreement shall be deducted from the employee's regular paycheck only and shall be an amount equal to the periodic dues levied by the Union for employees in the affected titles as currently checked off by the school district and, except as referred to in this article, shall be deducted in accordance with the same rules and procedures currently employed by the district in connection with the authorized dues deduction. The Union shall certify to the school district the appropriate amount of rate for the agency fee deduction.

Changes in the amount of any agency fee deduction shall be effective at the same times as is the practice with change in membership dues deductions. Requests for changes in the rate of dues deduction shall be deemed to be a request for a change in the agency fee.

Upon receipt by the school district of notice of change in the amount of the agency fee deductions, employees having the agency fee deducted shall be notified in writing by the payroll office of the change in the amount to be deducted periodically and the date on which such new deduction will begin. A copy of this notice shall be sent to the Union.

The Union shall refund to the employees any agency fees wrongfully deducted and transmitted to the Union.

No assessments of any kind or nature will be collected through the agency fee deduction.

The district shall not be liable in the operation of the agency fee deduction for any mistake or error of judgment or any other act of omission or commission and the Union agrees for itself, its

successors and assigns to at all times indemnify the district and/or the Board of Education against any and all claims, suits, actions, costs, charges and expenses and against all liability and losses and damages of any nature whatsoever that the district and/or the Board of Education shall or may at any time sustain or be put to by reason of the inclusion of the above Agency Fee article in the collective bargaining agreement between the Union and the District. In addition, upon request by the Board of Education, the Union will provide an attorney to defend the Board in any claim against the Board arising out of the deduction and transmittal of Agency Fee as referred to above. Should the Board decide to retain its own counsel in such action, the Union will not be liable for the Board's attorneys' fees.

The Union affirms that it will establish and will maintain a procedure which provides for a refund as provided by law. The maintenance of such a procedure is a condition for the continuance of the agency fee deduction.

Such monies collected under Paragraph B, considered to be agency fee dues to the Union, shall be promptly transferred to the ATH.

- C. If a teacher has received a loan from the New York State Teachers Retirement System and wishes to have a payroll deduction, and upon receipt of proper authorization from New York State Teachers' Retirement System, the Board of Education will deduct twice monthly from paychecks during the months of September through June those amounts so authorized and forward them to the Retirement System.
- D. The Board agrees that it will not accord dues deductions or similar checkoff rights to any other organization representing employees in the unit covered by this Agreement.

- F.
