Dear 9th Graders,

Welcome to Huntington High School! The Guidance Department is committed to assisting each student in the freshman class achieve their post high school plans. Naviance provides students with valuable tools for college and career planning.

Here are some helpful hints:

1. Setting goals is an important step in planning for your future. Take some time to identify goals you have for this school year (short term goals) and for your future (long term goals). Add your goals onto your Naviance account, in the My Planner tab, and be sure to monitor and update them throughout the year.
2. Get involved in activities here at Huntington High School and then, begin building your résumé on Naviance. The resume can be found in the About Me tab.
3. Check out the RoadTrip Nation interview archive to watch video interviews covering various themes and interests. You may discover a career path you had not considered or gain inspiration while watching an interview on themes such as inspiration, courage, perseverance and planning (amongst many more).
4. Take a look at the Colleges and the Careers tabs. You'll find many resources to begin your college and career search.

If you have any questions, please see your school counselor.

Sincerely,

The Guidance Department
