THE COMMUNITY

Huntington is a culturally diverse, residential, suburban community with approximately 30,000 people. It is located on the north shore section of Long Island, thirty seven miles east of New York City. Students enjoy all of the cultural, educational and recreational advantages of the metropolitan area. The community's support is evidenced by the various educational programs offered.

SCHOOL PROFILE

Huntington High School is a four-year comprehensive public school, accredited by the Middle States Association of Secondary Schools and the New York State Board of Regents. Approximately 4,400 students attend Huntington Public Schools in grades kindergarten through 12. There are four primary schools serving students in grades K-3, one STEM Magnet school serving students in grades 4-6, one intermediate school serving students in grades 4 through 6, one middle school serving students in grades 7 and 8, and one high school serving students in grades 9 through 12. The high school population totals 1433 (including 370 seniors), and all students are provided with challenging programs that enable them to successfully transition into post-secondary schools and meet the demands of colleges and universities.

CURRICULUM

Students are required to fulfill a minimum of 22 credits for graduation. These credits must include the following: four units in English, four units in social studies, three units in mathematics, three units in science, one unit in world language, one unit in fine arts (art or music), one-half unit of health, two credits in physical education, and additional electives (as needed). Honors level courses are available in most subjects, and Advanced Placement courses are offered to students in grades ten through twelve. Students also have the opportunity to partake in our science research program beginning in grade nine and are encouraged to continue with the program throughout their high school career.

CLASS RANK

In accordance with the Huntington Board of Education policy, beginning with the Class of 2004, students are not ranked by cumulative grade point averages (GPA's). However, student transcripts do reflect the weighted GPA's for the purpose of distinguishing amongst the rigorous courses and programs offered (Regents, Honors, College, and Advanced Placement).

HONORS AND COLLEGE COURSES

Honors and College courses are multiplied by 1.075 when computing a student's GPA except for Band and Orchestra, which are weighted as 1.025. Thus a final course grade of 95 has a value of 102.13 in an Honors or College course (with the exception of Band and Orchestra which would have a value of 97.38).

ADVANCED PLACEMENT PROGRAM

Students who are interested in enrolling in Advanced Placement courses must have demonstrated outstanding academic achievement in previous courses. Advanced Placement classes receive a weight of 1.10 in the GPA calculation; thus a final course grade of 95 has a value of 104.5. All students enrolled in AP courses are required to sit the relevant AP exam. A student who does not sit the AP exam will forfeit AP course weighting on transcript. In total, 403 students wrote 876 Advanced Placement examinations in the following areas:

2-D Art and Design	10	English Literature & Comp.	43	Research	11
African-American Studies	10	Environmental Science	30	Seminar	51
Biology	56	French	7	Spanish Language and Culture	59
Calculus AB	23	Human Geography	20	Spanish Literature and Culture	33
Calculus BC	9	Italian Language	12	Statistics	31
Chemistry	18	Latin	1	U.S. Gov't and Politics	80
Computer Science A	8	Macroeconomics	16	United States History	77
Computer Science Principles	25	Microeconomics	16	World History	69
Drawing	4	Physics 1	19		
English Language & Comp.	67	Psychology	25		

In the 2023-2024 school year, we had a total of 121 AP Scholars, including 24 AP Scholars with Honors, 37 AP Scholars with Distinction, 3 AP Capstone Diplomas, and 3 AP Seminar and Research Certificates.

EXTRA-CURRICULAR PROGRAM

Approximately 65% of our students participate in interscholastic sports. We offer 34 varsity and 16 junior varsity teams, as well as the opportunity for students to explore and develop their athletic talents. We have had over 121 league, county, Long Island, state team and individual championships since 2008, as well as 2 national championships. About 85% of our student-athletes earn honor roll status each quarter.

SPECIAL PROGRAMS

- **Student Internship Program** – Open to seniors, students are provided with opportunities for enrichment activities that go beyond the traditional academic experience. Students pursue a career and develop a creative project, while working under the supervision of a mentor.
- **Western Suffolk BOCES Wilson Tech** – A vocational school for eleventh and twelfth graders to study occupational education.
- **Special Education** – Students with special needs are provided with individualized education programs, as well as services that are challenging and designed to support student success.

NYS REGENTS EXAMINATION EXEMPTIONS AND SPECIAL APPEALS

As per the New York State Education Department directives related to COVID-19, any course with a passing final grade culminating in a Regents or Checkpoint World Language Assessment that is marked with an “E” in student’s academic record indicates that the student was EXEMPT from that test.

- As per NYSED, Regents examinations that were appealed due to potential learning disruptions may be indicated as an “SA.”

GRADE 12 PHYSICAL EDUCATION EXEMPTION OPTION

Students in grade 12 participating on a varsity athletic team have an option of being scheduled for a regular physical education class or requesting an exemption from physical education during their season of participation. Students who successfully complete this option will receive a pass/fail grade for the marking period and entire semester during which they were exempt from physical education.
