THE COMMUNITY

Huntington is a vibrant, culturally diverse suburban community with a population of approximately 30,000 residents. Situated on the scenic north shore of Long Island, just 37 miles east of New York City, Huntington offers students the unique opportunity to experience the cultural, educational, and recreational resources of both a close-knit community and a world-class metropolitan area. The town's strong commitment to education is reflected in its broad range of academic and extracurricular programs, which are enriched by the active support of families and community organizations.

HUNTINGTON HIGH SCHOOL

Huntington High School is a four-year comprehensive public school accredited by the Middle States Association of Secondary Schools and the New York State Board of Regents. Serving approximately 1,300 students in grades 9–12, including 379 seniors, the school offers a rigorous academic program with a broad range of Advanced Placement, honors, dual-enrollment, and elective courses. Huntington High School provides students with challenging opportunities that prepare them to transition successfully into post-secondary education and to meet the demands of colleges, universities, and future careers.

CURRICULUM

Huntington High School requires a minimum of 22 credits for graduation, including coursework in English, social studies, mathematics, science, world language, fine arts, health, physical education, and electives. Honors courses are available in most disciplines, and students in grades 9–12 may select from a wide range of Advanced Placement offerings. Beginning in grade 9, students also can participate in the school's nationally recognized science research program, which encourages sustained study and independent investigation throughout their high school career.

CLASS RANK

In accordance with Huntington Board of Education policy, students are not ranked by cumulative GPA. Transcripts, however, reflect weighted GPAs to recognize the rigor of courses and programs, including Regents, Honors, College, and Advanced Placement offerings.

COURSE WEIGHTING

The final grade in all courses as they appear on the transcript is unweighted. At the completion of each year, a weighted grade point average (GPA) is determined. The weighted GPA is calculated by multiplying the final grade for each course by the appropriate course credit and weighting factor and then averaging the resulting grades.

Course Type	Level	Weighting
Advanced Placement	5	1.1
Honors/Dual Enrollment	4	1.075
Honors Music	2	1.025
Regents and All Others	1	1.0

EXTRA-CURRICULAR PROGRAMS

Athletics: Huntington High School offers a robust interscholastic athletics program, with approximately 65% of students participating across 36 varsity and 15 junior varsity teams. Since 2008, student-athletes have achieved over 125 league, county, Long Island, state, and two national championships, with roughly 85% earning honor roll recognition each quarter.

SPECIAL PROGRAMS

- **AP Capstone Diploma Program** – A rigorous, research- and seminar-based program that complements AP coursework and develops students' skills in independent research, critical thinking, collaboration, communication, and academic presentation.
- **Dual Language Program** – A rigorous program designed to develop bilingualism and biliteracy while providing students with access to grade-level academic content across the curriculum.
- **Science Research Program** – A multi-year program that engages students in authentic scientific inquiry and independent research. Students develop research questions, design and conduct investigations, analyze data, and communicate their findings while working with mentors and exploring areas of scientific interest.
- **Special Education** – Students with identified learning needs receive individualized programming, services, and supports designed to promote access to a rigorous curriculum, academic growth, and meaningful postsecondary opportunities.
- **Student Internship Program** – Open to seniors, the program extends learning beyond the classroom through mentored, career-focused experiences. Students explore areas of interest, develop independent projects, and gain practical experience connected to their postsecondary goals.
- **Video Broadcasting Sequence** – A four-year sequence for students interested in media, journalism, and production. Students develop technical, creative, and communication skills through hands-on experiences in video production, editing, broadcasting, and live production, culminating in advanced coursework that supports further study and careers in media-related fields.
- **Virtual Enterprise** – A hands-on, collaborative business program in which students develop and operate simulated companies while applying skills in entrepreneurship, marketing, finance, management, communication, and problem-solving.

NYS REGENTS EXAMINATION EXEMPTIONS AND SPECIAL APPEALS

In accordance with New York State Education Department directives related to COVID-19, students who passed a course culminating in a Regents or Checkpoint World Language Assessment may be marked with an “E” for exemption. This also applies to students granted a Major Life Exemption for significant personal or family circumstances. Additionally, Regents examinations that were appealed due to potential learning disruptions are designated with an “SA” for Special Appeal.

PHYSICAL EDUCATION EXEMPTION OPTION

Seniors participating in a varsity athletic team may choose to enroll in a regular physical education class or request an exemption for the duration of their sports season. Students approved for this exemption receive a pass/fail grade for the marking period and semester during which they are excused from physical education, while still fulfilling graduation requirements.

ADVANCED PLACEMENT PROGRAM

Huntington High School offers a comprehensive Advanced Placement (AP) program designed to challenge students and prepare them for college-level work. AP courses are available to students in grades 9–12 across a wide range of subjects, including English, mathematics, science, social studies, world languages, and the arts. The program emphasizes critical thinking, analytical writing, and independent research, allowing students to engage deeply with rigorous content. Weighted grades for AP courses are reflected on transcripts to recognize the increased academic challenge, and many students earn college credit or advanced placement based on their AP exam performance.

AP CAPSTONE PROGRAM

Huntington High School offers the AP Capstone program, a two-year sequence of courses, AP Seminar and AP Research, designed to equip students with the independent research, critical thinking, and collaborative problem-solving skills essential for college and beyond. Open to students in grades 10–12, the program complements traditional AP coursework by emphasizing inquiry-based learning, academic writing, and presentation skills. Students who complete both courses and earn qualifying scores, in addition to four other AP exams, may receive the AP Capstone Diploma, a distinction recognized by colleges and universities worldwide. Weighted grades for AP Capstone courses are reflected on transcripts to acknowledge the rigorous academic challenge.

ADVANCED PLACEMENT COURSE OFFERINGS

AP African American Studies	AP Environmental Science	AP Physics 1
AP Biology	AP French Language and Culture	AP Precalculus
AP Business with Personal Finance	AP Government & Politics: United States	AP Psychology

AP Seminar and Research Certificate	3	4	3
AP International Diploma	0	0	0
Total	121	175	207

DUAL ENROLLMENT PROGRAM

Huntington High School partners with colleges and universities to offer Dual Enrollment courses that allow students to earn both high school and college credit simultaneously. These courses are taught by Huntington faculty who meet the qualifications set by the partner institutions and follow college-level curricula. Dual Enrollment provides students with authentic college experience while still in high school, helping them build academic confidence and reduce future college costs. Weighted grades for Dual Enrollment courses are reflected on the student transcripts, and credits earned may be transferable to a wide range of colleges and universities.

DUAL ENROLLMENT COURSES

HHS Course Name	College Course Name	College/University
Advanced Video Production III	TVF 1200 Introduction to Production	St. John's University
College Virtual Enterprise I	Bus 111 Introduction to Business	Farmingdale State College
College Virtual Enterprise II	Bus 141 Contemporary Business Communications	Farmingdale State College
College Career and Financial Management	BUS 230 Personal Finance	Stony Brook University
College Introduction to Digital Journalism	JRN 116 Introduction to Digital Journalism	Stony Brook University

COLLEGE ENTRANCE EXAMINATIONS – CLASS OF 2026

Huntington High School students demonstrate strong standardized test performance, with mean SAT scores of 549 in Mathematics (national mean 530) and 557 in Evidence-Based Reading and Writing (national mean 480). The mean ACT composite score is 22.8, compared to the national mean of 19.3.

GRADE EQUIVALENTS

Letter grades earned in other schools are converted to Huntington High School numeric grades and the 4.0 scale as follows: A+ = 97–100 (4.0), A = 93–96 (4.0), A– = 90–92 (3.7), B+ = 87–89 (3.3), B = 83–86 (3.0), B– = 80–82 (2.7), C+ = 77–79 (2.3), C = 73–76 (2.0), C– = 70–72 (1.7), D+ = 67–69 (1.3), D = 65–66 (1.0), F = below 65 (0.0).

DIPLOMA TYPES – CLASS OF 2026

Diploma Type	Percentage of Graduates
Regents Diploma	58.91%
Regents Diploma with Honors	N/A
Regents Diploma with Advanced Distinction	31.72%
Regents Diploma with Advanced Distinction and Honors	4.53%
Local Diploma	4.83%

POST-SECONDARY PLANS – CLASS OF 2026

Post Secondary Plan	Percentage of Graduates
Four-Year College/University	54.38%
Two-Year College/University	26.28%
Other (Employment, Gap Year, Military, Vocational)	19.34%

HONORS AND AWARDS

48 New York State Seal of Biliteracy Recipients	2 New York All-State Musicians
111 New York State Seal of Civic Readiness Recipients	10 All-County Senior Musicians
32 Mastery in Science Endorsement Recipients	2 Long Island Scholar Artist Awards
14 Mastery in Mathematics Endorsement Recipients	10 SCMEA Divion III
33 Career and Technical Education Endorsement Recipients	1 SCMEA Jazz Festival Participant
22 Career Development and Occupational Studies Credentials	
7 Skills and Achievement Commencement Credentials	
38 College Board National Recognition Program Award Recipients	
3 National Merit Commended Students	
AP School Honor Roll – Silver Designation	

COLLEGE/UNIVERSITY ACCEPTANCES

Over the past four years, Huntington High School students have earned acceptance to a wide range of distinguished colleges and universities across the nation, reflecting both the academic excellence of our students and the diverse paths they pursue after graduation.
